

Implementation Plan for PER-003-1 — Operating Personnel Credentials Standard

Prerequisite Approvals

There are no other reliability standards or Standard Authorization Requests (SARs), in progress or approved, that must be implemented before this standard can be implemented.

Modified Standards

PER-003-0 should be retired when PER-003-1 becomes effective.

Compliance with Standards

Once this standard becomes effective, the responsible entities identified in the applicability section of the standard must comply with the requirements. These include:

- Reliability Coordinator
- Transmission Operator
- Balancing Authority

Proposed Effective Date

Compliance with PER-003-1 shall be implemented as follows:

- In those jurisdictions where regulatory approval is required, this standard shall become effective the first calendar day of the first calendar quarter twelve months after applicable regulatory approval. In those jurisdictions where no regulatory approval is required, this standard shall become effective the first calendar day of the first calendar quarter, twelve months after Board of Trustees adoption.
