

## Implementation Plan for PER-003-1 — Operating Personnel Credentials Standard

### Prerequisite Approvals

There are no other reliability standards or Standard Authorization Requests (SARs), in progress or approved, that must be implemented before this standard can be implemented.

### Modified Standards

PER-003-0 should be retired when PER-003-1 becomes effective.

### Compliance with Standards

Once this standard becomes effective, the responsible entities identified in the applicability section of the standard must comply with the requirements. These include:

- Reliability Coordinator
- Transmission Operator
- Balancing Authority

### Proposed Effective Date

Compliance with PER-003-1 shall be implemented as follows:

- In those jurisdictions where regulatory approval is required, this standard shall become effective the first calendar day of the first calendar quarter ~~twelve~~six months after applicable regulatory approval. In those jurisdictions where no regulatory approval is required, this standard shall become effective the first calendar day of the first calendar quarter, ~~twelve~~six months after Board of Trustees adoption.
