

# Standards Announcement

## Project 2018-04 Modifications to PRC-024-2

Formal Comment Period Open through November 4, 2019

### [Now Available](#)

A 45-day comment period for **PRC-024-3 – Generator Frequency and Voltage Protection Settings** is open until **8 p.m. Eastern, Monday, November 4, 2019**.

### Commenting

Use the [Standards Balloting and Commenting System \(SBS\)](#) to submit comments. If you experience issues using the SBS, contact [Wendy Muller](#). An unofficial Word version of the comment form is posted on the [project page](#).

- *Contact NERC IT support directly at <https://support.nerc.net/> (Monday-Friday, 8 a.m. - 5 p.m. Eastern) for problems regarding accessing the SBS due to a forgotten password, incorrect credential error messages, or system lock-out.*
- *Passwords expire every **6 months** and must be reset.*
- *The SBS is **not** supported for use on mobile devices.*
- *Please be mindful of ballot and comment period closing dates. We ask to **allow at least 48 hours** for NERC support staff to assist with inquiries. Therefore, it is recommended that users try logging into their SBS accounts **prior to the last day** of a comment/ballot period.*

### Next Steps

A 10-day additional ballot for the standard and a non-binding poll of the associated Violation Risk Factors and Violation Severity Levels, will be conducted **October 25 - November 4, 2019**.

For information on the Standards Development Process, refer to the [Standard Processes Manual](#).

[Subscribe to this project's observer mailing list](#) by selecting "NERC Email Distribution Lists" from the "Applications" drop-down menu and specify "Project 2018-04 Modifications to PRC-024-2 Observer List" in the Description Box. For more information or assistance, contact Standards Developer, [Mat Bunch](#) (via email) or at (404) 446-9785.
