

# Standards Announcement

## Project 2021-04 Modifications to PRC-002 – Phase II

**Formal Comment Period Open through April 11, 2024**

### Now Available

A 25-day formal comment period for **Project 2021-04 Modifications to PRC-002 - Phase II** is open through **8 p.m. Eastern, Thursday, April 11, 2024** for the following standards and implementation plan:

- PRC-002-5 – Disturbance Monitoring and Reporting Requirements
- PRC-028-1 – Disturbance Monitoring and Reporting Requirements for Inverter-Based Resources
- Implementation Plan

The standard drafting team's considerations of the responses received from the previous comment period are reflected in these drafts of the standards.

### **Reminder Regarding Corporate RBB Memberships**

Under the NERC Rules of Procedure, each entity and its affiliates is collectively permitted one voting membership per Registered Ballot Body Segment. Each entity that undergoes a change in corporate structure (such as a merger or acquisition) that results in the entity or affiliated entities having more than the one permitted representative in a particular Segment must withdraw the duplicate membership(s) prior to joining new ballot pools or voting on anything as part of an existing ballot pool. Contact [ballotadmin@nerc.net](mailto:ballotadmin@nerc.net) to assist with the removal of any duplicate registrations.

### **Commenting**

Use the [Standards Balloting and Commenting System \(SBS\)](#) to submit comments. An unofficial Word version of the comment form is posted on the [project page](#).

- *Contact NERC IT support directly at <https://support.nerc.net/> (Monday – Friday, 8 a.m. - 5 p.m. Eastern) for problems regarding accessing the SBS due to a forgotten password, incorrect credential error messages, or system lock-out.*
- *Passwords expire every **6 months** and must be reset.*
- *The SBS **is not** supported for use on mobile devices.*
- *Please be mindful of ballot and comment period closing dates. We ask to **allow at least 48 hours** for NERC support staff to assist with inquiries. Therefore, it is recommended that users try logging into their SBS accounts **prior to the last day** of a comment/ballot period.*

## Next Steps

Additional ballots for the standards and implementation plan, as well as the non-binding polls of the associated Violation Risk Factors and Violation Severity Levels will be conducted **April 2 - 11, 2024**.

For more information on the Standards Development Process, refer to the [Standard Processes Manual](#).

For more information or assistance, contact Senior Standards Developer, [Ben Wu](#) (via email) or at 470-542-6882. [Subscribe to this project's observer mailing list](#) by selecting "NERC Email Distribution Lists" from the "Service" drop-down menu and specify "Project 2021-04 Modifications to PRC-002 observer list" in the Description Box.
