

Regional Reliability Standards Announcement

Texas Reliability Entity Standard Development Process

Comment Period Open through January 23, 2017

[Now Available](#)

NERC is posting the proposed Texas Reliability Entity Standard Development Process for a 45-day procedural comment period through **8 p.m. Eastern, Monday, January 23, 2017**.

Regional standards development procedures define a regional entity's process for development, revision, reaffirmation, and withdrawal of a Regional Reliability Standard.

Commenting

Use the [electronic form](#) to submit comments. If you experience any difficulties in using the electronic form, contact [Nasheema Santos](#). An unofficial Word version of the comment form is posted on the [Regional Reliability Standards Under Development Page](#).

If you are having difficulty accessing the SBS due to a forgotten password, incorrect credential error messages, or system lock-out, contact NERC IT support directly at <https://support.nerc.net/> (Monday – Friday, 8 a.m. - 8 p.m. Eastern).

Rules of Procedure

The NERC approval and posting requirements for regional reliability standards development procedures are described in [NERC's Rules of Procedure of the Electric Reliability Organization](#), Section 311.2.
