## Member Details

Use this space to provide information about the organization's members and why the members are impactful to NERC:

## Application

Use this space to explain the reasons why NERC should consider this organization as a pre-qualified organization to submit Implementation Guidance to the ERO Enterprise.

Explain how this organization includes stakeholders that possess the following characteristics:

- Must be a known entity on the list of NERC registered entities, or in the alternative, represent a group of registered entities;
- Is actively involved in the various technical and policy operations of NERC;
- Has methods to assure technical rigor in the development process; and
- Possesses the ability to vet content through its members, providing a high level of confidence to the CCC that an issue has been fully vetted.

Explain the reasons the entity is unable to have one of the pre-qualified organizations vet its proposed Implementation Guidance:
