Standards Announcement

Nomination Period Opens

October 2–15, 2008

Now available at: <http://www.nerc.com/filez/fmwg.html>

Nomination Period for Functional Model Working Group

The Standards Committee is seeking additional Functional Model Working Group representatives who collectively represent the following regions, industry segments, and functional entities:

- **Regions:** SPP, FRCC, ERCOT, and WECC
- **Industry Segments:** Transmission-dependent Utilities, Large Electricity End Users, Small Electricity End Users and Federal, State, Provincial Regulatory or other Government Entities
- **Functional Entities:** Planning Authority, Transmission Planner, Resource Planner, Load-serving Entity, Generation Owner, Generation Operator

Please complete this [nomination form](#) **no later than October 15, 2008** if you are interested in serving on this group. All candidates should be prepared to participate actively at these meetings.

If you have any questions, please contact Stephen Crutchfield at Stephen.crutchfield@nerc.net or 609-651-9455.

Standards Development Process

The [Reliability Standards Development Procedure](#) contains all the procedures governing the standards development process. The success of the NERC standards development process depends on stakeholder participation. We extend our thanks to all those who participate.

*For more information or assistance, please contact Shaun Streeter,
Standards Program Administrator, at shaun.streeter@nerc.net or at 609.452.8060*
