

TADS Training Schedule (Updated September 29, 2009)

The TADS June 11, 2009 letter to all TADS Reporting Transmission Owners (Form 1.2 contacts) announced the schedule for NERC/OATI training of webTADS users. As announced the course will be conducted on two days for three separate groups of users. The training time is expected to be a total of 4 hours (2 hours each day). The training dates have not changed and are confirmed to be;

Group A: September 30 and October 5, 2009 (Start time 2:00 p.m. Eastern)

Group B: October 29 and November 2, 2009 (Start time 2:00 p.m. Eastern)

Group C: November 19 and November 23, 2009 (Start time 2:00 p.m. Eastern)

On any given day of class, please use the following information for Audio and Visual Access. Please also register using the appropriate day's registration link below (to minimize NERC expense for unused phone bridge lines).
