

## Transmission Availability Data System (TADS) Training Schedule (Updated 09/07/2010)

Using a similar schedule as last year, the TADS courses will be conducted on two days for three groups of TADS users. The training time is expected to be a total of 4 hours (2 hours each day). The training dates are;

- Group A:        October 29, 2010 start 2:00 p.m. Eastern (Software class)  
                     November 02, 2010 start 11:00 a.m. Eastern (Data Instruction class)
- Group B:        November 18, 2010 start 2:00 p.m. Eastern (Software class)  
                     November 23, 2010 start 11:00 a.m. Eastern (Data Instruction class)
- Group C:        December 09, 2010 start 2:00 p.m. Eastern (Software class)  
                     December 14, 2010 start 11:00 a.m. Eastern (Data Instruction class)

On any given day of class, please use the following information for Audio and Visual Access. Please also register using the appropriate day's registration link on the next page (to identify your contact information and the approximate total number of phone lines needed). During registration, please carefully type in your email address. If you do not receive an automatic email confirmation of your registration, please verify your email address and check for blocked email. Please contact ReadyTalk (800.843.9166) if you need registration assistance.

### **Audio Access for all TADS Classes:**

Dial-in Number: 866-740-1260, Access Code: 8413362

### **Visual Access for all TADS Classes:**

1. Go to <<http://www.readytalk.com>>
2. Enter Access Code: 8413362
3. Click on 'Join meeting'. You will not need a password, just use the above Access Code.

### **Registration:**

Please REGISTER now for two of the following days. From the links on the next page please REGISTER for;

- One Software training class on 10/29, or 11/18 or 12/09; and also register for
- One Data Instruction class on 11/2, or 11/23 or 12/14.

You may pick any of the above dates. If the class size becomes too large, we will contact you. Due to the new data reporting requirements for calendar year 2010 and 2011 outages, it is recommended that all TADS users attend. However, attendance is voluntary.
