

Standards Announcement

Nomination Period Opens

April 18–May 1, 2008

Now available at: http://www.nerc.com/~filez/standards/EOP_VSLs_Project_2008-08.html

The Standards Committee is seeking industry experts to serve on the [EOP VSL](#) Drafting Team. This project involves making revisions to the Violation Severity Levels (VSLs) for the following standards:

EOP-001-0	Emergency Operations Planning
EOP-002-2	Capacity and Energy Emergencies
EOP-003-1	Load Shedding Plans
EOP-004-1	Disturbance Reporting
EOP-005-1	System Restoration Plans
EOP-006-1	Reliability Coordination – System Restoration
EOP-008-0	Plans for Loss of Control Center Functionality
EOP-009-0	Documentation of Blackstart Generating Unit Test Results

If you are interested in serving on this team, please complete this [nomination form](#) no later than May 1, 2008.

The initial meeting of this team has been scheduled and will be held in Tampa, Florida as follows:

- May 28 from 1–5 p.m.
- May 29 from 8 a.m.–5 p.m.
- May 30 from 8 a.m.–noon

Standards Development Process

The [Reliability Standards Development Procedure](#) contains all the procedures governing the standards development process. The success of the NERC standards development process depends on stakeholder participation. We extend our thanks to all those who participate.

For more information or assistance, please contact Maureen Long, Standards Process Manager, at maureen.long@nerc.net or at (813) 468-5998.
