Correction: Initial Ballot and Non-binding Poll Results

Now available at: <https://standards.nerc.net/Ballots.aspx>

A previous e-mail reporting these results inadvertently referenced CIP-002-4 and reported non-binding poll results but not initial ballot results. The complete results for the initial ballot of CIP-005-4 and non-binding poll for its VRFs and VSLs are reported below.

Project 2010-15 - Urgent Action Revisions to CIP-005-3

An initial ballot on revisions to CIP-005 and a non-binding poll for its associated VRFs and VSLs concluded on December 11, 2010.

Initial Ballot Results for CIP-005-4

Voting statistics are listed below, and the [Ballot Results](#) Web page provides a link to the detailed results:

Quorum: 84.46 %

Approval: 42.89 %

Violation Risk Factor (VRF) and Violation Severity Level (VSL) Non-binding Poll Results

For the non-binding poll of VRFs and VSLs, approximately 81% of those who registered to participate provided an opinion; 57% of those who provided an opinion indicated support for the VRFs and VSLs that were proposed.
