Standards Committee Announcement: Ballot to Fill Vacant SC Segment 4 Position September 15–25, 2008

Ballot now available at: <http://www.nerc.com/filez/sc.html>

As a member of Industry Segment 4, Transmission Dependent Utilities, you are asked to submit a [ballot](#) by **8 p.m. EDT on September 25, 2008** to elect a Standards Committee member to represent your industry segment, filling a vacant position for the term that expires December 31, 2009.

The Standards Committee is charged with oversight of NERC's reliability standards development process. Each of the ten Industry Segments in the Registered Ballot Body has the right to elect two Standards Committee members. Currently, Segment 4 has only one representative on the Standards Committee.

*For more information or assistance, please contact Barbara Bogenrief,
Standards Process Administrator, at barbara.bogenrief@nerc.net or at (609) 452-8060.*
