Assess Transmission Future Needs Standards Drafting Team

Project 2006-02 — ATFNSDT

Chairman	John Odom, Jr. — Vice President of Planning and Operations	Florida Reliability Coordinating Council
Vice Chairman	Douglas Hohlbaugh — Standards Development Manager	FirstEnergy Corp.
	D. Darrin Church — Principal Engineer Bulk Transmission Planning	Tennessee Valley Authority
	William Harm — Senior Consultant	PJM Interconnection, L.L.C.
	Julius Horvath	Wind Energy of Texas
	Robert A. Jones — Project Manager, Stability Studies	Southern Company Services, Inc.
	Brian K Keel — Manager, Transmission System Planning	Salt River Project
	R. W. Mazur — Manager, System Planning Department	Manitoba Hydro
	Thomas C. Mielnik — Manager, Electric System Planning	MidAmerican Energy Co.
	Bernie M. Pasternack, P.E. — Managing Director — Transmission Asset Management	American Electric Power
	Bob Pierce — Senior Engineer	Duke Energy
	Chifong L. Thomas — Principal Consulting Engineer	Pacific Gas and Electric Company
	Dana Walters	
NERC Staff	Edward J. Dobrowolski — Standards Development Coordinator	North American Electric Reliability Corporation

ATC-TTC-AFC-CBM-TRM Standards Drafting Team

Project 2006-07 — ATCTDT

Chairman	Laura Lee — Senior Engineer, Systems Operations	VACAR-South (Duke)
	Bill Blevins	Electric Reliability Council of Texas, Inc.
	John Burnett	Los Angeles Department of Water & Power
	DuShaune Carter	Southern Company
	Charles Falls	Salt River Project
	John Harmon	Midwest ISO, Inc.
	Raymond K. Kershaw — Senior Staff Engineer	ITC Transmission
	Dennis Kimm, Jr. — Senior Transmission Engineer	MidAmerican Energy Co.
	Ross Kovacs — Trans. Strategic Coordinator	Georgia Transmission Corporation
	Cheryl Mendrala — Principal Engineer	ISO New England, Inc.
	Abbey Nulph — Policy and Strategy Assessment	Bonneville Power Administration
	Narinder K. Saini — Policy Consultant	Entergy Services, Inc.
	Matthew Schull	North Carolina Municipal Power Agency #1
	Nathan A. Schweighart	Tennessee Valley Authority
	Jerry W. Smith	Arizona Public Service Co.
	Aaron Staley	Orlando Utilities Commission
	Brent Torgrimson	Texas Regional Entity
	Donald Williams — Senior Engineer	PJM Interconnection, L.L.C.
NERC Staff	Andrew J. Rodriguez — Manager of Business Practice Coordination	North American Electric Reliability Corporation
NERC Staff	Edward H. Ruck — Senior Data and Alert Specialist	North American Electric Reliability Corporation

Back-Up Facilities Standard Drafting Team

Project 2006-04 — BFSDT

Chairman	Samuel Brattini	KEMA Consulting
Vice Chairman	Michael Schiavone — Transmission Control Center	Niagara Mohawk Power Corp.
	Tom Bowe — Executive Director Reliability Integration	PJM Interconnection, L.L.C.
	Blaine R. Dinwiddie — Division Manager, T&D Operations	Omaha Public Power District
	Charles W. Jenkins — Vice President, System Operations	Oncor Electric Delivery
	Glenn Kaht — Senior Engineer, Compliance	ReliabilityFirst Corporation
	Barry R. Lawson — Manager, Power Delivery	National Rural Electric Cooperative Association
	Sara McCoy — Senior Engineer — Transmission Services	SRP
	Melinda K. Montgomery — Transmission Business Manager, Operations	Entergy Services, Inc.
	Keith Porterfield	Georgia Systems Operations Corporation
	John Procyk	Hydro One, Inc.
	James Vermillion	Associated Electric Cooperative, Inc.
NERC Staff	Edward J. Dobrowolski — Standards Development Coordinator	North American Electric Reliability Corporation

Balancing Authority Reliability-based Control Standard Drafting Team

Project 2010-14— BARC SDT

Co-Chairman	Larry Akens	TVA
Co-Chairman	Doug Hils	Duke Energy
	Gerald Beckerle	Ameren Corp
	David Folk	FirstEnergy Corp
	William Herbsleb	PJM Interconnection, LLC
	Howard Illian	Energy Mark
	David Lemmons	Xcel Energy
	Clyde Loutan	California ISO
	Kenneth McIntyre	ERCOT
	H. Steven Myers	ERCOT
	Sydney Niemeyer	NRG Texas LP
	Michael Oatts	Southern Company Services
	LeRoy Patterson	Patterson Consulting
	Michael Potishnak	ISO New England, Inc
	Mark Prosperi-Porta	British Columbia Transmission Corporation
	Guy Quintin	Hydro-Quebec TransEnergie
	Jerry Rust	NPCC
	Kris Ruud	Midwest ISO
	Thomas Siegrist	EnerVision, Inc
	Glenn Stephens	Santee Cooper
	Stephen Swan	Midwest ISO
	Mark Thomas	Entergy Transmission
	Thomas Washburn	Florida Municipal Power Pool
	Ed Dobrowolski	NERC

	James Vermillion	Associated Electric Cooperative, Inc.
NERC Staff	Edward J. Dobrowolski — Standards Development Coordinator	North American Electric Reliability Corporation

Project 2007-04 — CSOSDT

Chairman	David J. Carlson — Principal Operations Support Specialist	Commonwealth Edison Co.
	Brad E. Calhoun — Training Coordinator	CenterPoint Energy
	William D Ellard — Supervisor, Real—Time Operation	California ISO
	David L. Folk — Staff Transmission Specialist	FirstEnergy Corp.
	Jeff Gooding — Manager Training and Certification	Florida Power & Light Co.
	Mike Gough — Manager, Transmission Scheduling	Western Area Power Administration
	Raymond C. Gross — Senior Trainer/Coordinator, Customer Relations & Training Dept.	PJM Interconnection, L.L.C.
	Mark A. Heimbach — Generation Dispatch Manager	Pennsylvania Power & Light Company
	Lauri Jones — Senior Supervisor — Transmission Training and Standards	Pacific Gas and Electric Company
	Rob MacDonald	Hydro One, Inc.
	Tom McKenrick	Midwest ISO, Inc.
	Patricia E Metro — Manager, Transmission and Reliability Standards	National Rural Electric Cooperative Association
	Donald Urban	ReliabilityFirst Corporation
	Fred Waites — Team Leader — Training	Southern Company
NERC Staff	Darrel Richardson — Standards Development Coordinator	North American Electric Reliability Corporation

Coordinate Interchange Standard Drafting Team

Project 2008-12 — CISDT

Chairman	Joseph Gardner — Director, System—wide Operations	Midwest ISO, Inc.
	Clint Aymond	Entergy Services, Inc.
	Kelly W Bertholet	Manitoba Hydro
	Eric Grau	Tennessee Valley Authority
	James Michael Hansen — Strategic Advisor	Seattle City Light
	Robert H. Harshbarger — OASIS Trading Manager	Puget Sound Energy, Inc.
	Donald P. Lacen — Transmission Services Coordinator	Public Service Company of New Mexico
	Marcus V Lotto	Southern California Edison Co.
	Gregory D Maxfield — Supervisor, Trading	PacifiCorp
	David McRee	Duke Energy Carolina
	Joel L Mickey — Director, Market Operating Systems	Electric Reliability Council of Texas, Inc.
	Eric Nehf — Technical Staff	Bonneville Power Administration
	Michael Oatts — Manager, System Control	Southern Company Services, Inc.
	Christopher Pacella — Analyst—Operations Development	PJM Interconnection, L.L.C.
NERC Staff	Andrew J. Rodriguez — Manager of Business Practice Coordination	North American Electric Reliability Corporation

Credible Multiple Element Contingencies SAR Drafting Team

Project 2008-05 — CMECSDT

Chairman	Douglas Hohlbaugh — Standards Development Manager	FirstEnergy Corp.
Vice Chairman	Chifong L. Thomas — Principal Consulting Engineer	Pacific Gas and Electric Company
	Husam Al-Hadidi	Manitoba Hydro
	Eric Grau	Tennessee Valley Authority
	Daryn Barker — Sr. Analyst - Market Policy	E.ON-US Energy Services Inc.
	Roger Clayton, P.E	Electric Power Resources, LLC
	Albert DiCaprio — Strategist	PJM Interconnection, L.L.C.
	Esam A.F. Khadr — Director – Electric Delivery Planning	Public Service Electric and Gas Co.
	Lee R. Pedowicz — Manager, Reliability Requirements	Northeast Power Coordinating Council, Inc.
	Walter Pfuntner	New York Independent System Operator
	D. W. Rickerson	Electric Reliability Council of Texas, Inc.
	Steve Rueckert — Director of Standards	Western Electricity Coordinating Council
	Christopher Thibodeaux	Cleco Power LLC
	Eugene Warnecke — Supervising Engineer	Ameren Corp.
	Edward J. Dobrowolski — Standards Development Coordinator	North American Electric Reliability Corporation
	Maureen E. Long Director of Standards Process	North American Electric Reliability Corporation

Project 2008-06 — CS 706 SDT

Chairman	John Lim, CISSP — Department Manager, IT Infrastructure Planning	Consolidated Edison Co. of New York
Vice Chairman	Philip Huff — Manager, IT Security and Compliance	Arkansas Electric Cooperative Corporation
	Robert Antonishen — Protection and Control Manager, Hydro Engineering Division	Ontario Power Generation Inc.
	Jim Brenton, CISSP—ISSAP — Director, CIP Standards Development	Electric Reliability Council of Texas, Inc.
	Jackie Collett — Cyber Security Operations Engineer	Manitoba Hydro
	Jay S. Cribb — Information Security Analyst, Principal	Southern Company Services, Inc.
	Joe Doetzl — Manager, Information Security	Kansas City Power & Light Co.
	Sharon Edwards — Project Manager	Duke Energy
	Gerald S. Freese — Director, Enterprise Information Security	American Electric Power
	William Gross	Nuclear Energy Institute
	Jeffrey Hoffman, Chief Architect, IT Policy and Security Division	U.S. Bureau of Reclamation, Denver Federal Center
	Doug Johnson — Operations Support Group, Transmission Operations and Planning	Exelon— Commonwealth Edison
	Richard Kinas — Manager of Standards Compliance	Orlando Utilities Commission
	Patricio Leon-Alvarado, Engineer, E&TS Compliance and Quality	Southern California Edison Co
	David L. Norton — Policy Consultant — CIP	Entergy Corporation
	David S Revill — Group Lead, Electronic Maintenance	Georgia Transmission Corporation
	Scott Rosenberger — Director, Security and Compliance	Luminant Energy
	Kevin Sherlin — Manager, Business Technology Operations	Sacramento Municipal Utility District
	Jon Stanford — Chief Information Security Officer	Bonneville Power Administration

	Thomas Stevenson — General Supervisor — Engineering Projects, Generation Services Dept	Constellation Energy
	Keith Stouffer — Program Manager, Industrial Control System Security	National Institute of Standards & Technology
	John Van Boxtel — CIP Compliance Engineer	Western Electricity Coordinating Council
	John D. Varnell — Director, Asset Operations Analysis	Tenaska Power Services Co.
	William Winters — IS Senior Systems Consultant	Arizona Public Service Co.
	Bradley Yeates	Southern Nuclear Operating Company
Consultant to NERC	Hal Beardall	Florida State University
Consultant to NERC	Joseph Bucciero — President and Executive Consultant	Bucciero Consulting, LLC
Consultant to NERC	Robert M. Jones — Director, Florida Conflict Resolution Consortium	Florida State University
Consultant to NERC	Stuart Langton, PhD — Senior Fellow	Florida State University
NERC Staff	Howard L. Gugel — Standards Development Coordinator	North American Electric Reliability Corporation
NERC Staff	Tom Hofstetter — CIP Compliance Specialist	North American Electric Reliability Corporation
NERC Staff	Roger Lampila — Regional Compliance Auditor	North American Electric Reliability Corporation
NERC Staff	Scott R Mix — CIP Standards Senior Specialist	North American Electric Reliability Corporation
NERC Staff	David Taylor — Director of Standards Development	North American Electric Reliability Corporation
NERC Staff	Todd Thompson — CIP Investigator	North American Electric Reliability Corporation

Cyber Security Order 706 Violation Severity Levels Drafting Team
Project 2008-14 — CSVSL 706 SDT

Chairman	Larry Bugh — Chief Security Officer	ReliabilityFirst Corporation
	Jonathan Bransky — IT Security Manager	Public Service Enterprise Group Incorporated
	David Dunn	Independent Electricity System Operator
	Mark A. Engels — Director — IT Risk Management	Dominion Virginia Power
	Michael Mertz — Project Manager — Regulatory Compliance	Southern California Edison Co.
	James W. Sample — Director of Cyber Security	Tennessee Valley Authority
	William Souza — Manager, Security Integration	PJM Interconnection, L.L.C.
NERC Staff	Scott R Mix — CIP Standards Senior Specialist	North American Electric Reliability Corporation

Disturbance and Sabotage Reporting SAR Drafting Team

Project 2009-01 — DSRSDT

Chairman	Robert D. Canada — Business Assurance Principal	Southern Company Services, Inc.
Vice—Chairman	Brian Evans—Mongeon	Utility Services, Inc
	Joseph Baxter	Associated Electric Cooperative, Inc.
	Chris Boucher	BC Transmission Corporation
	Joseph G. DePoorter — Reliability Compliance Manager	Madison Gas and Electric Co.
	Michelle Draxton	Constellation Energy Group
	Brian M Harrell	SERC Reliability Corporation
	James E. Hartmann, Jr. — Supervisor, System Operations	Electric Reliability Council of Texas, Inc.
	Thomas M. Moleski — Senior Analyst	PJM Interconnection, L.L.C.
	Mark Mullen	Xcel Energy, Inc.
	Drew Phillips	Independent Electricity System Operator
NERC Staff	Stephen Crutchfield — Standards Development Coordinator	North American Electric Reliability Corporation
NERC Staff	Scott R Mix — CIP Standards Senior Specialist	North American Electric Reliability Corporation
NERC Staff	Ronald J. Niebo — Reliability Assessment Coordinator	North American Electric Reliability Corporation

Disturbance Monitoring Standard Drafting Team

Project 2007-11 — DMSDT

Chairman	Jeffrey M. Pond — Senior Engineer	National Grid
Vice Chair	Tracy M. Lynd	Consumers Energy
	Frank Ashrafi	Southern California Edison
	Alan D. Baker — Principal Engineer	Florida Power & Light Co.
	James R. Detweiler	FirstEnergy Corp.
	Willy Haffecke — Assistant Manager Electric T&D — Substations	City Utilities of Springfield
	Daniel J. Hansen — Consulting Engineer	RRI Energy
	H. Steven Myers — Manager of Operating Standards	Electric Reliability Council of Texas, Inc.
	Larry E. Smith — Team Leader — Transmission Automation and Analysis	Alabama Power Company
	Jack Soehren	ITC Holdings
NERC Staff	Stephanie Monzon — Manager of Regional Standards	North American Electric Reliability Corporation

Emergency Operations Standard Drafting Team

Project 2009-03 — EOPSDT

Chairman	Robert A Staton — Network Reliability Leader	Xcel Energy, Inc
Vice Chair	David McRee	Duke Energy Carolina
	Willard H. Behnke — Senior System Operator	Alliant Energy
	Michael Bucy	BC Transmission Corporation
	Francis J. Halpin — Power Operations Specialist	Bonneville Power Administration
	Gregory J. Le Grave	Wisconsin Public Service Corp
	Zahid Qayyum	Consolidated Edison Co. of New York
	Brian Van Gheem	Midwest ISO
	Bradley C. Young	E. ON U.S. LLC
	Laura Zotter	Electric Reliability Council of Texas, Inc.
NERC Staff	Maureen E. Long — Director of Standards Process	North American Electric Reliability Corporation

EOP Violation Severity Levels Drafting Team

Project 2008-08 — EOPVSLDT

	Michael J Brytowski — IT Specialist	Midwest Reliability Organization
	Rick J. King	Entergy Services, Inc.
	David McRee	Duke Energy Carolina
	John M Troha — Staff Engineer-Operations	SERC Reliability Corporation
	Wayne Van Liere	E.ON U.S. LLC
	Michael VanRemoortere	Pacific Gas and Electric Company
NERC Staff	Al McMeeking — Standards Development Coordinator	North American Electric Reliability Corporation

Facility Ratings for Order 705 Standard Drafting Team

Project 2008-04 — FR 705 SDT

Chairman	Paul B. Johnson, P.E. — Managing Director — Transmission Operations	American Electric Power
	Robert A. Birch — Staff Engineer	Florida Power & Light Co.
	Alfred B. Corbett	Tennessee Valley Authority
	H. Steven Myers — Manager of Operating Standards	Electric Reliability Council of Texas, Inc.
	Ronald F. Szymczak — Interconnection Planning Director	Exelon Corporation
	Chifong L. Thomas — Principal Consulting Engineer	Pacific Gas and Electric Company
NERC Staff	Maureen E. Long — Director of Standards Process	North American Electric Reliability Corporation

Facility Ratings Standard Drafting Team

Project 2009-06 — FR 705 SDT

Chairman	Paul B. Johnson, P.E. — Managing Director — Transmission Operations	American Electric Power
	Robert A. Birch — Staff Engineer	Florida Power & Light Co.
	Terry L. Crawley — Principal Engineer	Southern Company Services, Inc.
	Robert Kluge	American Transmission Company, LLC
	H. Steven Myers — Manager of Operating Standards	Electric Reliability Council of Texas, Inc.
	Philip Riley — Advisory Engineer IV	Public Service Commission of South Carolina
	Tapani Seppa — President	The Valley Group, Inc.
	Vladimir Stanisic	Ontario Power Generation Inc.
	Ronald F. Szymczak — Interconnection Planning Director	Exelon Corporation
	Chifong L. Thomas — Principal Consulting Engineer	Pacific Gas and Electric Company
NERC Staff	Stephen Crutchfield — Standards Development Coordinator	North American Electric Reliability Corporation

FAC Order 729

Project 2010-10 — FAC 729 DT

Chairman	Robert Pierce	Duke Energy Carolina
	Jeremy Bennett	Southern Company Transmission Company
	Robert A. Birch — Staff Engineer	Florida Power & Light Co.
	William Harm — Senior Consultant	PJM Interconnection, LLC
	Ross Kovacs — Trans. Strategic Coordinator	Georgia Transmission Corporation
	Narinder Saini	Entergy Services, Inc.
	Laura Trolese — Transmission Services — Policy Development & Analysis	Bonneville Power Administration
NERC Staff	Howard Gugel — Standards Development Coordinator	North American Electric Reliability Corporation

Frequency Response Standard Drafting Team

Project 2007-12 — FRRSDT

Chairman	William Herbsleb — Senior Engineer	PJM Interconnection, L.L.C.
	Don E Badley — System Operations Manager	Northwest Power Pool Corporation
	Terry Bilke — Director, Standards and Compliance	Midwest ISO, Inc.
	Les Hajagos — Director/Senior Engineer	Kestrel Power Engineering Ltd
	Harvey Heinz Happ — Power Systems Operation Specialist IV	New York State Department of Public Service
	Howard F. Illian	Energy Mark, Inc.
	David F. Lemmons — Senior Manager, Market Operations	Xcel Energy, Inc.
	Clyde Loutan — Senior Advisor — Planning and Infrastructure Development	California ISO
	Carlos Martinez	Electric Power Group
	James Murphy — Electrical Engineer	Bonneville Power Administration
	Sydney Niemeyer — Control System Specialist	NRG Texas LP
	Michael Potishnak — Principal Engineer	ISO New England, Inc.
	Kevin Thundiyil — Electrical Engineer	Federal Energy Regulatory Commission
	Raymond L. Vice — Manager Reliability Standards	Southern Company Services, Inc.
	Thomas E Washburn — Executive Director	Florida Municipal Power Pool
NERC Staff	Darrel Richardson — Standards Development Coordinator	North American Electric Reliability Corporation
NERC Staff	Thomas J. Vandervort — Event Investigator	North American Electric Reliability Corporation

Functional Model Glossary Revisions

Project 2010-08

	Thomas J. Bradish — Director, Reliability Standards	RRI Energy
	Dennis Chastain — Manager, Transmission Grid Studies	Tennessee Valley Authority
	Jim D. Cyrulewski	JDRJC Associates
	Gary Dawes	Colorado River Commission of Nevada
	Albert DiCaprio — Strategist	PJM Interconnection, L.L.C.
	Michael F. Gildea — Director of NERC Compliance	Dominion Resources Services
	Peter Heidrich — Regional Standards Development Manager	Florida Reliability Coordinating Council
	Anthony Jankowski — Manager, Electric System Operations	We Energies
	P.S. (Ben) Li — President	Ben Li Associates, Inc.
	Peter Munn	Air Liquide
	H. Steven Myers — Manager of Operating Standards	Electric Reliability Council of Texas, Inc.
	Jerry Rust — President	Northwest Power Pool Corporation
	Dana Showalter — Senior Regulatory Standards Engineer	Electric Reliability Council of Texas, Inc.
	John Simpson — Manager, Transmission Policy	RRI Energy
	Karl Tammar	Northeast Utilities
	John Walewski — Manager — Asset Management	Hydro One Networks, Inc.
	Mike Yealland	Independent Electricity System Operator
	Guy V. Zito — Assistant Vice President of Standards	Northeast Power Coordinating Council, Inc.
NERC Staff	David N. Cook — Vice President and General Counsel	North American Electric Reliability Corporation
NERC Staff	Stephen Crutchfield — Standards Development Coordinator	North American Electric Reliability Corporation
NERC Staff	Craig P. Lawrence — Manager of Registration, Certification / CEA	North American Electric Reliability Corporation

Generator Requirements at the Transmission Interface SAR Drafting Team

Project 2010-7 — GRTI SAR DT

Chairman	Scott Helyer — Vice President, Transmission	Tenaska, Inc
Vice Chairman	Louis Slade — Manager, Bulk Power Operations-Transmission	Dominion
	Benjamin Church	FPL Group - NextEra Energy
	Samuel J. Dwyer, IV	AmerenUE Power Operations Services
	Stephen Enyeart	Bonneville Power Administration
	John L. Simpson	RRI Energy
NERC Staff	Mallory Huggins	NERC

Generator Verification Standard Drafting Team

Project 2007-09 — GVSDT

Chairman	Lee Y. Taylor — Chief Engineer	Southern Company Services, Inc.
Vice Chairman	Rick Terrill — Asset Management	Luminant Energy
	Baj Agrawal — Principal Engineer	Arizona Public Service Co.
	Thomas J. Bradish — Director, Reliability Standards	RRI Energy
	Donald G. Davies — Chief Senior Engineer	Western Electricity Coordinating Council
	Les Hajagos — Director/Senior Engineer	Kestrel Power Engineering Ltd
	John Hanson	CenterPoint Energy
	Gary Humphries	Duke Energy Carolina
	Venkat S. Kolluri — Manager, Transmission Planning	Entergy Corporation
	Dmitry Kosterev	Bonneville Power Administration
	David Kral	Xcel Energy, Inc.
	Gary Kruempel	MidAmerican Energy Co.
	Daniel J. Leonard	GE Energy
	Jason MacDowell	GE Energy
	Craig Quist — Principal Engineer — Transmission Planning	PacifiCorp
	Balbir S. Sandhu — Generation Reliability Compliance Engineer	Manitoba Hydro
	William D Shultz	Southern Company Generation
	Vladimir Stanisic	Ontario Power Generation Inc.
	Ken Stenroos — General Manager	Florida Power & Light Co.
	Chifong L. Thomas — Principal Consulting Engineer	Pacific Gas and Electric Company
	Edward J. Wingard — Engineering, Projects and Field Services	American Electric Power
NERC Staff	Harry Tom — Standards Development Coordinator	North American Electric Reliability Corporation
NERC Staff	Thomas J. Vandervort — Event Investigator	North American Electric Reliability Corporation

Nuclear Plant Interface Coordination Standard Drafting Team

Project 2009-08 — NPICS DT

Chairman	Terry L. Crawley — Principal Engineer	Southern Company Services, Inc.
Vice Chairman	Darrel Yohnk — Transmission Security Administrator	American Transmission Company, LLC
	Walter E. Adams	Constellation Generation Group
	George Attarian	Progress Energy
	John P. Bonner	Entergy Nuclear Northeast, Inc.
	Maurice Casadaban	Entergy Services, Inc.
	Ron Cembrowski — Senior Officer, Conduct of Operations	Ontario Power Generation Inc.
	Mukund R. Chander	Entergy Corporation
	Stephen Chun	Southern California Edison Co.
	Brian Dale	Georgia Power Company
	John Dumas — Manager Operations Planning	Electric Reliability Council of Texas, Inc.
	David Gladey	PPL Susquehanna, LLC
	John Joseph Gyra th — Senior Staff Engineer	Exelon Corporation
	Wayne Johnson — Project Manager	Electric Power Research Institute
	Frank J. Koza — Executive Director, System Operations	PJM Interconnection, L.L.C.
	Timothy Lensmire	Nuclear Management Company
	Doug McLaughlin — Project Manager, Transmission Planning	Southern Company Services, Inc.
	Michael Powers — Power Systems Nuclear Assurance Coordinator	Florida Power & Light Co.
	Christopher Schaeffer	Framatome ANP
	Michael Schiavone — Transmission Control Center	Niagara Mohawk Power Corp.
	Milap Shah	CenterPoint Energy
	Terry Volkmann	Volkmann Consulting, Inc.
	Jennifer R. Weber — Transmission Security Specialist	Tennessee Valley Authority

	John Winders	PPL Electric Utilities Corp.
NERC Staff	Darrel Richardson — Standards Development Coordinator	North American Electric Reliability Corporation

Operate Within IROL Standard Drafting Team

Chairman	W. Ellis Rankin — Director — Transmission System Operations	Oncor Electric Delivery
	Carl J. Bridenbaugh — Director, Energy Delivery — Planning and Protection	FirstEnergy Corp.
	James S. Case — Director, Weekly Operations	Entergy Services, Inc.
	Albert DiCaprio — Strategist	PJM Interconnection, L.L.C.
	William Hardy	Southern Company Services, Inc.
	Anthony Jankowski — Manager, Electric System Operations	We Energies
	Wendy Ladd — System Coordinator	Duke Energy Carolina
	Seamus McGovern — Reliability Coordination Services/System Operations	ISO New England, Inc.
	Allan D. Miller — Senior Technical Officer — Customer Support	Independent Electricity System Operator
	James Murphy — Electrical Engineer	Bonneville Power Administration
	H. Steven Myers — Manager of Operating Standards	Electric Reliability Council of Texas, Inc.
	Dwayne Stradford	American Electric Power
NERC Staff	Stephen Crutchfield — Standards Development Coordinator	North American Electric Reliability Corporation
NERC Staff	Edward H Ruck — Senior Data and Alert Specialist	North American Electric Reliability Corporation

Operating Personnel Communications Protocols Standard Drafting Team

Project 2007-02 — OPCPSDT

Chairman	Lloyd S. Snyder — Manager, Transmission Operations	Georgia Systems Operations Corporation
	Dave Allen — Assistant OCR Manager	ITC Holdings
	Mike Brost — Vice President, Electric Systems	JEA
	William D Ellard — Supervisor, Real – Time Operation	California ISO
	Leanne Harrison — Senior Engineer	PJM Interconnection, L.L.C.
	Tom Irvine — Manager, Grid Operations	Hydro One Networks, Inc.
	Wayne Mitchell — Supervisor, Transmission System Security	Entergy Corporation
	John Stephens — Director, Power System Control	City Utilities of Springfield
	Fred Waites — Team Leader — Training	Southern Company
	Laura Zotter	Electric Reliability Council of Texas, Inc.
NERC Staff	Larry J. Kezele — Manager of Operations	North American Electric Reliability Corporation
NERC Staff	Harry Tom — Standards Development Coordinator	North American Electric Reliability Corporation

Order 706B Nuclear Implementation Plan Standard Drafting Team

	David R. Ambrose — SCADA System Manager	Western Area Power Administration — Rocky Mountain Region
	Jay Amin — Cyber Security Program Manager	Luminant Power
	Chuck L. Behrend — Director of Corporate Design Engineering	Exelon Nuclear
	Sandra Bittner	
	Larry Bugh — Chief Security Officer	ReliabilityFirst Corporation
	David Burford — Manager, Nuclear Fleet Security and Emergence Preparedness	Southern Company
	James Busbin — Supervisor — Bulk Power Operations (System Dispatcher)	Southern Company Services, Inc.
	Marc Marion Butts	Southern Company Services, Inc.
	Keith Cooke — CIO	Entergy Northwest
	David M. Czufin	
	Jeff Drowley	
	Thomas R. Flowers — President	Flowers Control Center Solutions
	David Gambrell — Chief Engineer	Southern Company
	William R Gross — Manager, Web Services	Nuclear Energy Institute
	R. Scott Henry — Vice President, Electric Systems Operations	Duke Energy
	Mark J Kuras — Senior Engineer	PJM Interconnection, L.L.C.
	Eric J. Lee — Security Specialist 1	U.S. Nuclear Regulatory Commission
	John Lim, CISSP — Department Manager, IT Infrastructure Planning	Consolidated Edison Co. of New York
	Alison MacKellar — NERC Compliance Contact	Exelon Nuclear
	David McPhail — Attorney	Balch & Bingham
	Michael Mertz — Project Manager — Regulatory Compliance	Southern California Edison Co.
	Margaret M. Miller — Director, IT Security and Compliance	Exelon Corporation

	George T. Miserendino — President	Triton Security Solutions, Inc.
	Scott Morris — Deputy Director for Reactor Security	U.S. Nuclear Regulatory Commission
	Steven T. Naumann — Vice President, Wholesale Market Development	Exelon Corporation
	Andrew Neal — Senior Engineer	Southern Nuclear Company
	David L. Norton — Policy Consultant — CIP	Entergy Corporation
	Howard Lee Owrutsky — IT Manager — Nuclear Site Support	Exelon Corporation
	Bonnie R. Parker — It Manager	Southern Company Services, Inc.
	Phil Prugnarola — Director, IM Business Solutions — Nuclear	NextEra Energy Resources, LLC
	Jack W. Roe — Director, Security	Nuclear Energy Institute
	John C. Rommel	
	Neil Saia	
	James W. Sample — Director of Cyber Security	Tennessee Valley Authority
	Steve Swanson	
	Robert Sypult — President	RLS Security Advisors
	Howard Tarler — Manager of Long Term Planning	New York Independent System Operator
	Thomas Turke — Director of Corporate Compliance	Seminole Electric Cooperative, Inc.
	Chris Wilson — Engineer	Southern Company
	Bradley Yeates — IT Security Analyst, Principal	Southern Company
	Julia York — Transmission Policy Analyst	Southern Company Services, Inc.
	Jason Zorn	
NERC Staff	Roger Lampila — CIP Compliance Specialist	North American Electric Reliability Corporation
NERC Staff	Scott R Mix — CIP Standards Senior Specialist	North American Electric Reliability Corporation
NERC Staff	Tim E. Roxey — CIP Program Manager	North American Electric Reliability Corporation

Protection System Maintenance and Testing Standard Drafting Team

Project 2007-17 — PSMTSDT

Chairman	Charles W. Rogers — Principal Engineer	Consumers Energy
	John Anderson	Xcel Energy, Inc.
	Merle Ashton	Tri—State G & T Association Inc.
	Bob Bentert	Florida Power & Light Co.
	John L. Ciufo — Manager, P&C Strategies and Standards	Hydro One, Inc.
	Sam Francis	Oncor Electric
	Carol Gerou — Standards	Midwest Reliability Organization
	Roger D. Green — E&I Manager	Southern Company Generation
	Russell Hardison, P.E.	Tennessee Valley Authority
	Dave Harper	NRG Texas Maintenance Services
	Marc Lukas	Commonwealth Edison Co.
	Mark Peterson	Great River Energy
	William D Shultz	Southern Company Generation
	Leonard Swanson, Jr. — Protection Standards and Support	National Grid USA
	Eric Udren — Executive Advisor	Quanta Technology
	Philip Winston — Manager, Protection and Control	Georgia Power Company
	John Zipp	ITC Holdings
NERC Staff	Al McMeekin — Standards Development Coordinator	North American Electric Reliability Corporation

Real-Time Operations Standard Drafting Team

Project 2007-03 — RTOSDT

Chairman	James S. Case — Director, Weekly Operations	Entergy Services, Inc.
Vice Chairman	Karl Tammar	Northeast Utilities
	Paul Bleuss — Lead California/Mexico Reliability Coordinator	California/Mexico Reliability Coordinator (CMRC)
	Albert DiCaprio — Strategist	PJM Interconnection, L.L.C.
	Ryan Johnson	NRG Energy Power Marketing, Inc.
	Phillip Lavallee	National Grid USA
	Jason L Marshall, P.E. — Technical Manager, Standards Compliance and Strategy	Midwest ISO, Inc.
	H. Steven Myers — Manager of Operating Standards	Electric Reliability Council of Texas, Inc.
	Paul Olson — Senior Power System Operator	Sacramento Municipal Utility District
	Gregory Van Pelt	California ISO
NERC Staff	Edward J. Dobrowolski — Standards Development Coordinator	North American Electric Reliability Corporation

**Real-Time Reliability Monitoring and Analysis Capabilities
Standard Drafting Team**

Project 2009-02 — RTTSDT

Chairman	Samuel Brattini	KEMA Consulting
Vice Chairman	Charles Abell — Supervising Engineer	Ameren Corp.
	Tom Bradish — Director, Reliability Standards	RRI Energy
	Jay Dondeti	Midwest ISO, Inc.
	Vinit Gupta — Supervisor, EMS Applications	Entergy Services, Inc.
	Jack Kerr — Consulting Engineer	Dominion Virginia Power
	Michael Richardson — Senior Engineer	AEP Transmission Operations
	Robert W. Savage	Arizona Public Service Co.
	Robert A. Staton — Network Reliability Leader	Xcel Energy, Inc.
	Scott Vidler	Hydro One, Inc.
	Jerry Whooley — Sr. Engineer	PJM Interconnection, L.L.C.
NERC Staff	Edward J. Dobrowolski — Standards Development Coordinator	North American Electric Reliability Corporation

Regional Reliability Standards Working Group

FRCC	Peter Heidrich — Regional Standards Development Manager	Florida Reliability Coordinating Council
MRO	Carol Gerou – Standards	Midwest Reliability Organization
SERC	Patrick Huntley — Manager of Reliability Standards	SERC Reliability Corporation
RFC	Anthony E. Jablonski – Senior Engineer	Reliability First Corporation
SPP	David Kelly – Senior Engineer– ITO	Southwest Power Pool
WECC	Kenneth J. Wilson — Staff Engineer	Western Electricity Coordinating Council
FRCC - Alternate	John E. Odom, Jr. – V.P. of Planning and Operations	Florida Reliability Coordinating Council
SPP - Alternate	Mak Nagle — Manager of Technical Studies & Modeling	Southwest Power Pool
NERC Staff	Stephanie Monzon — Manager of Regional Standards	North American Electric Reliability Corporation

Reliability Coordination Standard Drafting Team

Project 2006-06 — RCSDT

Chairman	William Hardy	Southern Company Services, Inc.
	Earl A. Barber	National Grid
	Timothy A. Beach	American Transmission Company, LLC
	Paul Bleuss — Lead California/Mexico Reliability Coordinator	California/Mexico Reliability Coordinator (CMRC)
	James S. Case — Director, Weekly Operations	Entergy Services, Inc.
	Albert DiCaprio — Strategist	PJM Interconnection, L.L.C.
	Anthony Jankowski — Manager, Electric System Operations	We Energies
	Allan D. Miller — Senior Technical Officer — Customer Support	Independent Electricity System Operator
	H. Steven Myers — Manager of Operating Standards	Electric Reliability Council of Texas, Inc.
	Robert C. Rhodes, Jr. — Manager, Reliability Coordination	Southwest Power Pool
	Eric Senkowicz — Manager of Operations	Florida Reliability Coordinating Council
NERC Staff	Stephen Crutchfield — Standards Development Coordinator	North American Electric Reliability Corporation
NERC Staff	Edward H Ruck — Senior Data and Alert Specialist	North American Electric Reliability Corporation

Resource Adequacy Assessments Standard Drafting Team

Project 2009-05 — RAASDT

Vice Chairman	Phil Fedora — Assistant Vice President, Reliability Services	Northeast Power Coordinating Council, Inc.
	Yong Cai — Regional Market Analyst	Sacramento Municipal Utility District
	Curt J. Dahl, P.E.	KeySpan Corp.
	Gregory S. Drake	New York Independent System Operator
	Andrew Fusco — Manager, Resource Planning	North Carolina Eastern Municipal Power Agency
	William J. Head — Chief Operating Officer	Midwest Reliability Organization
	Daniel Huffman — Senior Engineer	FirstEnergy Corp.
	Tom Kaslow	Calpine Corporation
	Richard Kosch — Special Projects Consultant Power Supply Division	Lincoln Electric System
	Garey C. Rozier — Director, Resource Planning	Southern Company Services, Inc.
	Donald M. Schlegel — Manager — Resource Planning	American Electric Power
	Steve Scroggs	Florida Power & Light Co.
	Sam Waters	Progress Energy
NERC Staff	Stephen Crutchfield — Standards Development Coordinator	North American Electric Reliability Corporation

Reliability of Protection Systems SAR Drafting Team

Project 2009-07 — RPSSDT

Chairman	Ed Taylor	Pacific Gas and Electric Company
Vice Chairman	Robert Johnson — Senior Engineer	Allegheny Power
	Clarence Bradley — Senior Engineer	Georgia Transmission Corporation
	Jonathan Glidewell	Southern Company Transmission Company
	James Hubertus	Public Service Electric and Gas Co.
	Steve Leistner — Technical Services Manager	PacifiCorp
	Stanley J. Lewis — Engineer	Consolidated Edison Co. of New York
	Susan L. McGill	PJM Interconnection, L.L.C.
	John Mulhausen — Manager, Design and Standards	Florida Power & Light Co.
	Jill Muller — System Protection Engineer	American Transmission Company, LLC
	Bill Newell — Principal Engineer	Progress Energy
	Don Oatman Jr., Jr. — Training Specialist	Electric Reliability Council of Texas, Inc.
	Richard P. Quest — Engineer	Xcel Energy, Inc.
	Dean Sorensen — Lean Senior Engineer, Protection Standards & Support	National Grid
	Xiaodong Sun — Senior Engineer — Technical Compliance	Ontario Power Generation Inc.
	Roger Whittaker — Standards Coordinator Control, Protection, and Telecommunications	Bonneville Power Administration
	Philip Winston — Manager, Protection and Control	Georgia Power Company
NERC Staff	Darrel Richardson — Standards Development Coordinator	North American Electric Reliability Corporation

Results-based Reliability Standard Drafting Team

Project 2010-06

	Terry Bilke — Director, Standards and Compliance	Midwest ISO, Inc.
	Carter B Edge — Director of Reliability Services	SERC Reliability Corporation
	Michael F. Gildea — Director of NERC Compliance	Dominion Resources Services
	J. Christopher Hajovsky	RRI Energy
	Peter Heidrich — Regional Standards Development Manager	Florida Reliability Coordinating Council
	Patrick Huntley — Manager of Reliability Standards	SERC Reliability Corporation
	P.S. (Ben) Li — President	Ben Li Associates, Inc.
	Allen Mosher — Senior Director of Policy Analysis and Reliability	American Public Power Association
	Raj Rana — Director — RTO Policy and NERC Compliance	American Electric Power
	Steve Rueckert — Director of Standards	Western Electricity Coordinating Council
	Christopher Young	Federal Energy Regulatory Commission
	Guy V. Zito — Assistant Vice President of Standards	Northeast Power Coordinating Council, Inc.
	Darrell G. Piatt	Federal Energy Regulatory Commission
NERC Staff	Roman Carter — Senior Event Investigator	North American Electric Reliability Corporation
NERC Staff	Gerry W. Cauley — President and Chief Executive Officer	North American Electric Reliability Corporation
NERC Staff	Eric Rollison — Engineer of Compliance Reporting and Analysis	North American Electric Reliability Corporation
NERC Staff	Martin Sidor — Director of Training	North American Electric Reliability Corporation
NERC Staff	David Taylor — Director of Standards Development	North American Electric Reliability Corporation
NERC Staff	Harry Tom — Standards Development Coordinator	North American Electric Reliability Corporation

Real-time Reliability Monitoring and Analysis Capabilities Standard Drafting Team

Project 2009-02

	Samuel Brattini	KEMA Consulting
	Charles F Abell — Supervising Engineer	Ameren Corp.
	Thomas J. Bradish — Director, Reliability Standards	RRI Energy
	Jay Dondeti	Midwest ISO, Inc.
	Vinit Gupta Supervisor, EMS Applications	Entergy Services, Inc.
	Michael Houglum	Tri-State Generation and Transmission
	Jack Kerr — Consulting Engineer	Dominion Virginia Power
	Michael Richardson — Senior Engineer	AEP Transmission Operations
	Robert W. Savage	Arizona Public Service Co.
	Robert A. Staton — Network Reliability Leader	Xcel Energy, Inc.
	Scott Vidler	Hydro One, Inc.
	Jerry Whooley — Sr. Engineer	PJM Interconnection, L.L.C.
NERC Staff	Edward J. Dobrowolski — Standards Development Coordinator	North American Electric Reliability Corporation
NERC Staff	Maureen E. Long — Director of Standards Process	North American Electric Reliability Corporation

Project 2006-01 — SPTSDT

Chairman	Patricia E. Metro — Manager, Transmission and Reliability Standards	National Rural Electric Cooperative Association
	James Bowles — Training Coordinator	Electric Reliability Council of Texas, Inc.
	Raymond C. Gross — Senior Trainer/Coordinator, Customer Relations & Training Dept.	PJM Interconnection, L.L.C.
	James E. Bradley — Senior Specialist	Exelon Corporation
	John William Smith — Special Practices and Training Supervisor	SaskPower
	Laurel Hennebury — Director of Enterprise Learning & University Relations	ISO New England, Inc.
	David L. Folk — Staff Transmission Specialist	FirstEnergy Corp.
	Rick King — Principal Consultant	Tennessee Valley Authority
	Michael Gammon — Senior Operations Engineer	Kansas City Power & Light Co.
	Sanjay Dutta — Manager of Operations Training	California ISO
	Patrick Harwood	Federal Energy Regulatory Commission
	Lauri Jones — Senior Supervisor - Transmission Training and Standards	Pacific Gas and Electric Company
	John Keller — Manager, Control Room Operations	Atlantic City Electric Company
	Howard F. Rulf — Manager, Compliance and Training	Wisconsin Electric Power Co.
	Cesar Seymour — Director, Market Policy	GDF SUEZ Energy NA
	Timothy Walkowski	American Transmission Company, LLC
NERC Staff	Darrel Richardson — Standards Development Coordinator	North American Electric Reliability Corporation

System Protection Coordination Standard Drafting Team

Project 2007-06 — SPCSDT

Chairman	Philip Winston — Manager, Protection and Control	Georgia Power Company
Vice Chairman	Bill Middaugh — Senior Engineer	Tri—State G & T Association Inc.
	Arthur J. Buanno — Advanced Engineer, Transmission Protection	FirstEnergy Corp.
	David Cirka	National Grid
	Aaron Cooperberg	Hydro One Networks, Inc.
	Samuel Francis — System Protection Specialist	Oncor Electric Delivery
	Jeffrey Iler	American Electric Power
	William Waudby	Consumers Energy
	Kevin Wempe	Kansas City Power & Light Co.
	Kevin Jones — Principal Specialty Engineer	Southwestern Public Service Co.
NERC Staff	Al McMeekin — Standards Development Coordinator	North American Electric Reliability Corporation

System Restoration and Blackstart Standard Drafting Team

Project 2006-03 — SRBSDT

Chairman	Richard J. Kafka — Transmission Policy Manager	Pepco Holdings, Inc.
	Mike Adibi — President	IRD Corporation
	Edward J. Baznik	FirstEnergy Corp.
	Rod Byrnell — Senior Systems Operations Supervisor	British Columbia Transmission Corporation
	Gary Campbell — Senior Administrator, Compliance	ReliabilityFirst Corporation
	C. S. Cooper	Independent Electricity System Operator
	Charles F. Cumpston	California ISO
	Francis Esselman	
	Will Houston	National Grid
	Mark J Kuras — Senior Engineer	PJM Interconnection, L.L.C.
	David Mahlmann — Manager, Operations Engineering	New York Independent System Operator
	Doug Rempel — Operations Training Supt	Manitoba Hydro
	Michael Richardson — Senior Engineer	AEP Transmission Operations
	George Rodriguez	Florida Power & Light Co.
	Paul Srogus — Electrical Engineer	U.S. Bureau of Reclamation
	F. Mo Tadayon	Georgia Power Company
	Rick Terrill — Asset Management	Luminant Energy
NERC Staff	Edward J. Dobrowolski — Standards Development Coordinator	North American Electric Reliability Corporation

Transmission Loading Relief Drafting Team

Project 2006-08 — TLRDT

Chairman	P.S. (Ben) Li — President	Ben Li Associates, Inc.
	Daryn Barker — Sr. Analyst — Market Policy	E.ON—US Energy Services Inc.
	Bill Blevins	Electric Reliability Council of Texas, Inc.
	James Busbin — Supervisor — Bulk Power Operations (System Dispatcher)	Southern Company Services, Inc.
	James Eckelkamp — Wholesale Power	Progress Energy
	Robert Paul Humberson — Transmission Scheduling and Security Manager	Western Area Power Administration —
	Frank J. Koza — Executive Director, System Operations	PJM Interconnection, L.L.C.
	David F. Lemmons — Senior Manager, Market Operations	Xcel Energy, Inc.
	Thomas J Mallinger, P.E. — Interregional Coordinator	Midwest ISO, Inc.
	Dave Marton — Senior Engineer	FirstEnergy Solutions
	Narinder K. Saini — Policy Consultant	Entergy Services, Inc.
	Don Shipley — Manager, SPP Reliability South	Southwest Power Pool
NERC Staff	Andrew J. Rodriguez — Manager of Business Practice Coordination	North American Electric Reliability Corporation

Underfrequency Load Shedding Standard Drafting Team

Project 2007-01 — UFLSDT

Chairman	Robert J. O'Keefe — Senior Engineer, Transmission Planning	American Electric Power
Vice Chairman	Jonathan Glidewell	Southern Company Transmission Company
	Brian D. Bartos — Manager, Engineering	Bandera Electric Cooperative
	Scott Berry — Generation/Compliance Engineer	Indiana Municipal Power Agency
	Brian Evans—Mongeon	Utility Services ,Inc.
	Frank Gaffney — Regulatory Compliance Officer	Florida Municipal Power Agency
	Gerald Keenan	Northwest Power Pool Corporation
	H. Steven Myers — Manager of Operating Standards	Electric Reliability Council of Texas, Inc.
	Mak Nagle — Manager of Technical Studies & Modeling	Southwest Power Pool
	Si Truc Phan	Hydro—Québec TransEnergie
	Tony Rodrigues, P.E. — Manager, Asset Strategy & Policy, T&D	PacifiCorp
NERC Staff	Robert W. Cummings — Director of System Analysis and Reliability Initiatives	North American Electric Reliability Corporation
NERC Staff	Maureen Long — Director of Standards Process	North American Electric Reliability Corporation
NERC Staff	Stephanie Monzon — Manager of Regional Standards	North American Electric Reliability Corporation
NERC Staff	Philip J Tatro — Senior Performance and Analysis Engineer	North American Electric Reliability Corporation

Vegetation Management Standard Drafting Team

Project 2007-07 — VMSDT

Chairman	Richard E. Dearman	Tennessee Valley Authority
	Ron A. Adams — Director, Vegetation Management Carolinas	Duke Energy Carolina
	Tom Anderson	Lincoln Electric System
	Paul S. Beaulieu — Manager of Transmission Engineering	Finley Engineering
	Stephen R. Cieslewicz	CN Utility Consulting LLC
	George Czerniewski	Con Edison
	Randall F. Gann	Alabama Power Company
	Stephen Genua — System Forester	Pepco Holdings, Inc.
	Jeff Hackman — Manager — Transmission Operations	Ameren Corp.
	Randall H. Miller	PacifiCorp
	David Morrell	New York State Department of Public Service
	John Pinney	Progress Energy
	John E. Schechter	American Electric Power
	John Tamsberg — Transmission Operations	Florida Power & Light Co.
	Stephen Tankersley	Pacific Gas and Electric Company
	Ron Turley	Western Area Power Administration
	Gary White	Oncor Electric Delivery
	Philip H. Whitmer	Georgia Power Company
	Ken Wright	Tucson Electric Power Co.
NERC Staff	Harry Tom — Standards Development Coordinator	North American Electric Reliability Corporation

Violation Severity Levels Drafting Team

Project 2007-23 — VSLDT

Chairman	Robert Gumm	OATI
Vice Chairman	Douglas Hohlbaugh — Standards Development Manager	FirstEnergy Corp.
	John P. Bonner	Entergy Nuclear Northeast, Inc.
	Michael J Brytowski — IT Specialist	Midwest Reliability Organization
	David M. Crews	Progress Energy
	Leanne Harrison — Senior Engineer	PJM Interconnection, L.L.C.
	Anthony E. Jablonski — Senior Engineer	ReliabilityFirst Corporation
	Douglas F. Johnson — Compliance Officer	American Transmission Company, LLC
	Mark MacDonald — Director — Market Development, Contracts & Regulation	Cleco Power LLC
	Jason L Marshall, P.E. — Technical Manager, Standards Compliance and Strategy	Midwest ISO, Inc.
	H. Steven Myers — Manager of Operating Standards	Electric Reliability Council of Texas, Inc.
	James R. Nickel — Manager of Compliance and Manager of Generation Services	Michigan Public Power Agency
	Jennifer Sterling — Director, Transmission Strategy and Business Operations	Exelon Energy Delivery
NERC Staff	Stephen Crutchfield — Standards Development Coordinator	North American Electric Reliability Corporation
NERC Staff	Andrew J. Rodriguez — Manager of Business Practice Coordination	North American Electric Reliability Corporation
NERC Staff	Harry Tom — Standards Development Coordinator	North American Electric Reliability Corporation

Voltage and Reactive Planning and Control Standard Drafting Team

Project 2008-01 — VRPCSDT

Chairman	John Simpson — Manager, Transmission Policy	RRI Energy
Vice Chairman	William Harm — Senior Consultant	PJM Interconnection, L.L.C.
	Martin Bauer — Chief of Operations and Maintenance	U.S. Bureau of Reclamation
	Christina S. Drake	Midwest ISO, Inc.
	Jeff Healey	ERCOT
	Stephen Hitchens — Transmission Services, Technical Operations	Bonneville Power Administration
	Martin Kaufman	ExxonMobil Research and Engineering
	Kelley Knoerr — Senior Power System Supervisor	We Energies
	Venkat S. Kolluri — Manager, Transmission Planning	Entergy Corporation
	John Kueck	
	Roy Plfeiderer	National Grid
	Jim K. Robinson, P.E. — TADS Manager	North American Electric Reliability Corporation
	Joseph Seabrook — Consulting Engineer	Puget Sound Energy, Inc.
	Hari Singh — Transmission Asset Management	Xcel Energy, Inc.
	Edwin E Thompson, PE — Project Specialist	Consolidated Edison Co. of New York
NERC Staff	Stephen Crutchfield — Standards Development Coordinator	North American Electric Reliability Corporation
NERC Staff	Robert W. Cummings — Director of System Analysis and Reliability Initiatives	North American Electric Reliability Corporation
NERC Staff	Al McMeekin — Standards Development Coordinator	North American Electric Reliability Corporation
NERC Staff	Michael Moon — Director of Compliance Operations	North American Electric Reliability Corporation

**Request for Interpretation of CIP-006-01 by Progress Energy Drafting Team
Project 2008-10**

	David L. Norton (Chair)	Entergy
	Jackie Collett	Manitoba Hydro
	Jeri Domingo Brewer	U.S. Bureau of Reclamation
	Gerald Freese	American Electric Power
	John Lim	Con Edison
	Robert Mathews	PG&E
	Kevin B. Perry	SPP
NERC Staff	Scott Mix — CIP Standards Senior Specialist	North American Electric Reliability Corporation
NERC Staff	Harry Tom — Standards Development Coordinator	North American Electric Reliability Corporation

Request for Interpretation of TOP-002-02 by OUC Drafting Team

Project 2008-13

Chairman	James S. Case — Manager, Transmission Security Coordination	Entergy Services, Inc.
Vice Chairman	Karl Tammar	Northeast Utilities
	Paul Bleuss — Lead California/Mexico Reliability Coordinator	California/Mexico Reliability Coordinator (CMRC)
	Albert DiCaprio — Strategist	PJM Interconnection, L.L.C.
	Ryan Johnson	NRG Energy Power Marketing, Inc.
	Phillip Lavallee	National Grid USA
	Jason L. Marshall, P.E. — Technical Manager, Standards Compliance and Strategy	Midwest ISO, Inc.
	H. Steven Myers — Manager of Operating Standards	Electric Reliability Council of Texas, Inc.
	Paul Olson — Senior Power System Operator	Sacramento Municipal Utility District
	James Useldinger — Manager, T&D System Operations	Kansas City Power & Light Co.
	Gregory Van Pelt	California ISO
NERC Staff	Edward J. Dobrowolski — Standards Development Coordinator	North American Electric Reliability Corporation

Request for Interpretation of CIP-001-01 by Covanta Energy Drafting Team
Project 2009-09

	David L. Norton (Chair)	Entergy
	Jackie Collett	Manitoba Hydro
	Jeri Domingo Brewer	U.S. Bureau of Reclamation
	Gerald Freese	American Electric Power
	John Lim	Con Edison
	Robert Mathews	PG&E
	Kevin B. Perry	SPP
NERC Staff	Scott Mix — CIP Standards Senior Specialist	North American Electric Reliability Corporation
NERC Staff	Harry Tom — Standards Development Coordinator	North American Electric Reliability Corporation

Request for Interpretation of CIP-005-01 by PacifiCorp Drafting Team

Project 2009-12

	David L. Norton (Chair)	Entergy
	Jackie Collett	Manitoba Hydro
	Jeri Domingo Brewer	U.S. Bureau of Reclamation
	Gerald Freese	American Electric Power
	John Lim	Con Edison
	Robert Mathews	PG&E
	Kevin B. Perry	SPP
NERC Staff	Scott Mix — CIP Standards Senior Specialist	North American Electric Reliability Corporation
NERC Staff	Harry Tom — Standards Development Coordinator	North American Electric Reliability Corporation

Request for Interpretation of CIP-006-01 by PacifiCorp Drafting Team
Project 2009-13

	David L. Norton (Chair)	Entergy
	Jackie Collett	Manitoba Hydro
	Jeri Domingo Brewer	U.S. Bureau of Reclamation
	Gerald Freese	American Electric Power
	John Lim	Con Edison
	Robert Mathews	PG&E
	Kevin B. Perry	SPP
NERC Staff	Scott Mix — CIP Standards Senior Specialist	North American Electric Reliability Corporation
NERC Staff	Harry Tom — Standards Development Coordinator	North American Electric Reliability Corporation

Request for Interpretation of CIP-007-01 by WECC Drafting Team

Project 2009-16

	David L. Norton (Chair)	Entergy
	Jackie Collett	Manitoba Hydro
	Jeri Domingo Brewer	U.S. Bureau of Reclamation
	Gerald Freese	American Electric Power
	John Lim	Con Edison
	Robert Mathews	PG&E
	Kevin B. Perry	SPP
NERC Staff	Scott Mix — CIP Standards Senior Specialist	North American Electric Reliability Corporation
NERC Staff	Harry Tom — Standards Development Coordinator	North American Electric Reliability Corporation

Request for Interpretation by Energy Mark Drafting Team

Project 2009-20

	Don E Badley — System Operations Manager	Northwest Power Pool Corporation
	Terry Bilke — Director, Standards and Compliance	Midwest ISO, Inc.
	Les Hajagos — Director/Senior Engineer	Kestrel Power Engineering Ltd
	Harvey Heinz Happ — Power Systems Operation Specialist IV	New York State Department of Public Service
	William Herbsleb — Senior Engineer	PJM Interconnection, L.L.C.
	David F. Lemmons — Senior Manager, Market Operations	Xcel Energy, Inc.
	Clyde Loutan — Senior Advisor — Planning and Infrastructure Development	California ISO
	Carlos Martinez	Electric Power Group
	James Murphy — Electrical Engineer	Bonneville Power Administration
	Sydney Niemeyer — Control System Specialist	NRG Texas LP
	Michael Potishnak — Principal Engineer	ISO New England, Inc.
	Kevin Thundiyl — Electrical Engineer	Federal Energy Regulatory Commission
	Raymond L. Vice — Manager Reliability Standards	Southern Company Services, Inc.
	Thomas E Washburn — Executive Director	Florida Municipal Power Pool
NERC Staff	Darrel Richardson — Standards Development Coordinator	North American Electric Reliability Corporation
NERC Staff	Thomas J. Vandervort — Event Investigator	North American Electric Reliability Corporation
