#### 2018 Year-End Unaudited Results of Operations

Mr. Jones reviewed the 2018 Year-End Unaudited Results of Operations for NERC and the ERO Enterprise, referencing the materials included in the advance agenda package. He reported that NERC

was 2.8 percent under budget at year end (1.2 percent excluding CRISP), had a \$1.6 million increase in operating reserves, and did not undertake any acquisition borrowing in 2018. Mr. Jones reported that the ERO Enterprise ended the year under budget by 4 percent, primarily due to the SPP RE transition, and that combined reserves were higher than budgeted. The Committee discussed reserves accumulation and true-up processes. Mr. Jones reported that the ERO finance group was working on process improvements. Ms. Schori then called attention to the Regional Entity financial reports included in the advance agenda package.

After discussion, and upon motion duly made and seconded, the Committee recommended the 2018 Year-End Unaudited Results of Operations for acceptance by the Board.

#### **Annual Review of Committee Mandate**

Mr. Berardesco noted that the Committee is required to review its mandate on an annual basis. Based on Legal department's review, no changes are recommended. The Committee concurred with the approach.

#### **Other Business**

Ms. Schori reflected on the evolution of the budget process during her tenure as Committee Chair, highlighting the establishment of the assessment stabilization reserve. She also remarked upon the improved quality of budget filings, noting the three clean budget approval orders from FERC and three clean audit reports. She thanked the MRC budget input group and NERC and Regional Entity finance staff.

#### Adjournment

There being no further business, and upon motion duly made and seconded, the meeting was adjourned.

Submitted by,
