

Standards Balloting and Commenting System (SBS)

Login, Registration, Validation, and Permissions

April 11, 2014

RELIABILITY | ACCOUNTABILITY

Register/Request Additional Permissions Voter and Proxy

- Container for services shared amongst the ERO Enterprise line of business applications
 - BESnet
 - SBS
- Authentication is the current service provided
 - Validation of registrant's account information

Role	ERO Platform Account Required	Additional Permissions Required?
Guest/ Anonymous User	No	No
Contributor	Yes	No
Proxy	Yes	Yes
Voter	Yes	Yes

Roles and Permissions

Certain roles require an ERO Platform account along with requesting additional permissions to perform Standards Balloting activities.

- **Guest:** view/read only access to SBS Dashboard links
- **Contributor:** individual who can comment on proposed Standards
- **Proxy:** individual authorized to cast a vote on behalf of the RBB Member and comment on proposed Standards
- **Voter:** Registered voting member of the NERC Registered Ballot Body for the purpose of casting votes and commenting on proposed Standards

Role	ERO Platform Account Required	Additional Permissions Required?
Contributor	Yes	No
Proxy	Yes	Yes
Voter	Yes	Yes

Roles and Permissions

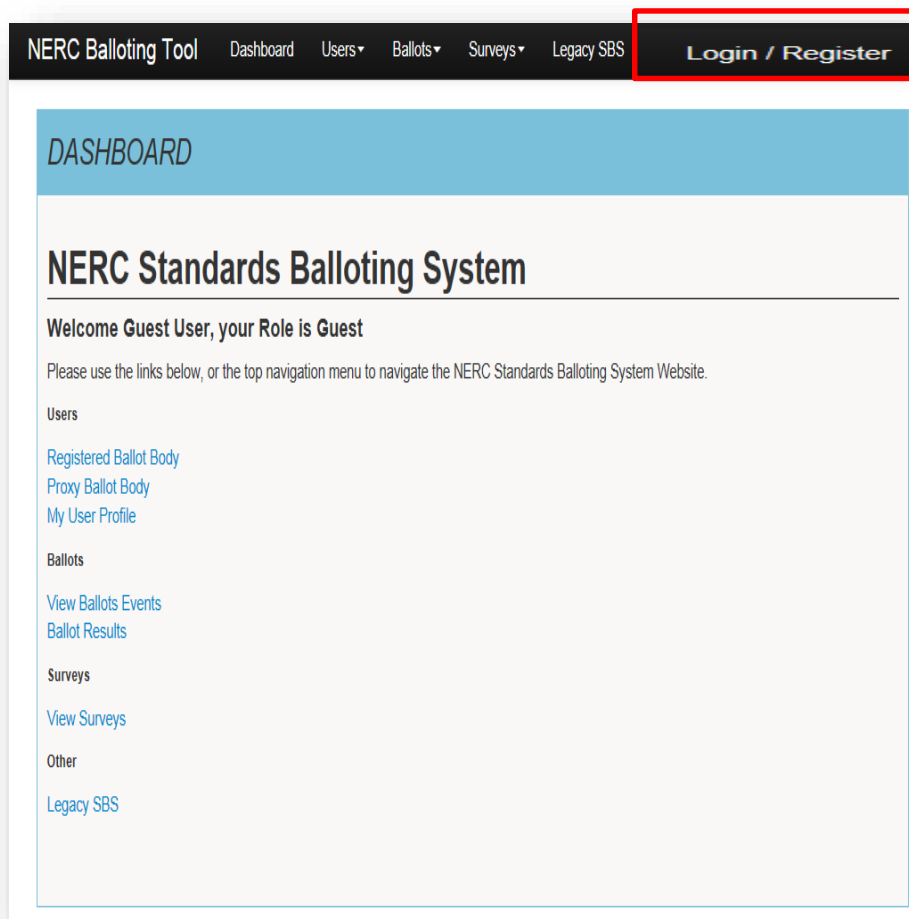

- Once you have registered for the role of **Contributor** you can begin to comment via 'Take Survey' and use the 'Social Survey' tool.
- Once you have the role of Contributor, you can register to become a **Voter** or **Proxy**. You will be able to comment via 'Take Survey' and use the 'Social Survey' tool while your RBB request is being vetted by NERC staff.

Casting a vote in the new SBS:

- All current NERC Registered Ballot Body (RBB) members must go through a new registration process. If you have not registered or are a new member requesting membership in the RBB, please [click here](#). Please access the Standards Balloting and Commenting System Tutorial below for instructions or the Frequently Asked Questions document for assistance.

Guest User Dashboard:

Registering for an ERO Platform Account

From the Standards Balloting System Dashboard, use the link in the upper right-hand corner of the top navigation to create a new ERO Platform account.

If you already have an existing ERO Platform account use your credentials to login.

Create an account first and login to request additional permissions to perform Standards Balloting activities.

Register

Welcome to the SBS balloting Tool. To Create an Account click the button below. You will be redirected to SBS account management.

Create an Account

Register to Create an Account

Select “Create an Account” to request additional permissions to perform Standards Balloting activities.

Vetting Request Pending

Voter and Proxy requests requires further vetting by NERC Standards Staff.

Within three business days, you will receive notification approving or denying your request to join the Registered Ballot Body.

ERO Platform Validation

Scenarios that require the validation process

- Initial validation
- Subsequent validations when users log in
 - On a different computer or device (work, home, iPad, iPhone, etc.)
 - On a different browser (IE, Chrome, Firefox, Safari)
 - User changes their user name
- Every 180 days
 - Validation will be required
 - Password change will be required
- Validation issues not related to above scenarios
 - Support is investigating

Validation emails from DoNotReply@nerc.net – Please validate your NERC ERO Account Information

- You should receive the validation email within a couple of minutes
- If you did not receive the validation email, check ‘spam’ or ‘junk’ folders
- If validation email is not in ‘spam’ or ‘junk’ folders - check with your IT department to verify if the email is blocked
- If your IT department did not block the validation email contact ballotadmin@nerc.net
