## Project 2010-05.2 Phase 2 of Protection Systems Revised Definition of Remedial Action Scheme

**Final Ballot Now Open through November 6, 2014**

### [Now Available](#)

A final ballot for the **Revised Definition of Remedial Action Scheme** is open through **8 p.m. Eastern, Thursday, November 6, 2014.**

Background information for this project can be found on the [project page](#).

### **Instructions for Balloting**

In the final ballot, votes are counted by exception. Only members of the ballot pool may cast a ballot; all ballot pool members may change their previously cast votes. A ballot pool member who failed to cast a vote during the last ballot window may cast a vote in the final ballot window. If a ballot pool member cast a vote in the previous ballot and does not participate in the final ballot, that member's vote will be carried over in the final ballot.

Members of the ballot pool associated with this project may log in and submit their vote for the definition by clicking [here](#).

### **Next Steps**

The voting results for the definition will be posted and announced after the ballot window closes. If approved, it will be submitted to the Board of Trustees for adoption and then filed with the appropriate regulatory authorities.

For more information on the **Standards Development Process**, please refer to the [Standard Processes Manual](#).
