

Standards Announcement **Reminder**

Project 2007-11 Disturbance Monitoring PRC-002-2

Additional Ballot and Non-Binding Poll Now Open through October 22, 2014

[Now Available](#)

An additional ballot and for **PRC-002-2 - Disturbance Monitoring and Reporting Requirements** and non-binding poll of the associated Violation Risk Factors (VRFs) and Violation Severity Levels (VSLs) are now open through **8 p.m. Eastern on Wednesday, October 22, 2014.**

Instructions for Balloting

Members of the ballot pools associated with this project may log in and submit their vote for the standard and non-binding poll of the associated VRFs and VSLs by clicking [here](#).

Note: If a member cast a vote in the initial ballot, that vote **will not** carry over to the additional ballot. It is the responsibility of the registered voter in the ballot pool to cast a vote again in the additional ballots. To ensure a quorum is reached, if you do not want to vote affirmative or negative, please cast an abstention.

Next Steps

The ballot results will be announced and posted on the project page. The drafting team will consider all comments received during the formal comment period and, if needed, make revisions to the standard. If the comments do not show the need for significant revisions, the standard will proceed to a final ballot.

For information on the **Standards Development Process**, please refer to the [Standard Processes Manual](#).
