Dear North American Electric Reliability Corporation (NERC):

SUEZ Energy Marketing NA, in behalf of Wise County Power Company LP (Wise County Power) concurs with the Texas RE (TRE) findings that Wise County Power has finished its mitigation plan in accordance with the Federal Energy Regulatory Commission's (FERC) Guidance Order on Filing Reliability Notices of Penalty submissions issued on July 3, 2008.

- Wise County Power's mitigation plan was accepted by Texas RE, on December 14, 2007 and approved by NERC on March 7, 2008. The Mitigation Plan for the violations listed has also been designated as MIT-07-0206 and has been submitted as non-public information to FERC on January 31, 2008, in accordance with FERC orders.

Furthermore, Wise County Power certified to the Texas RE on December 14, 2007 that its Mitigation Plan was completed. The Texas RE has reviewed the evidence Wise County Power submitted in support of its Certification of Completion and on June 4, 2008 Texas RE verified that the Mitigation Plan was completed in accordance with its terms.

Respectfully yours,

Cesar Seymour
