Re: NERC Spreadsheet Notice of Penalty
FERC Docket No. NP12-26-000

On April 30, 2012, the North American Electric Reliability Corporation (NERC) submitted a Spreadsheet Notice of Penalty regarding violations for 18 Registered Entities. It has come to NERC's attention that the violation ID number associated with EcoGrove Wind, LLC's VAR-002-1.1b R3 violation should be listed as RFC201100956 rather than RFC201100955.

Accordingly, NERC respectfully requests that the record be corrected as noted above.

Respectfully submitted,

/s/ Rebecca J. Michael
