Re: NERC Spreadsheet Notice of Penalty
FERC Docket No. NP12-12-000

On January 31, 2012, the North American Electric Reliability Corporation (NERC) submitted a Spreadsheet Notice of Penalty regarding violations for 18 Registered Entities. By this filing, NERC submits an errata to correct the record with the following information.

NERC corrects the entity's disposition with respect to the violation for violation ID number MRO201100260, the characterization should be "Admits" not "Does Not Contest." In addition, NERC corrected, a one word typo in the document.

For ease of convenience, the public versions are being submitted in their entirety.

Accordingly, NERC respectfully requests that the Commission accept this supplemental filing and issue an order accepting the Notice of Penalty as compliant with its rules, regulations and orders.

Respectfully submitted,

/s/ Rebecca J. Michael
