On May 30, 2012, the North American Electric Reliability Corporation (NERC) submitted a Spreadsheet Notice of Penalty. NERC hereby submits this errata filing to correct the service list in Attachment B to that filing.

Request for Confidential Treatment

This includes non-public information related to certain Reliability Standard violations and confidential information regarding critical energy infrastructure.

In accordance with the Commission's Rules of Practice and Procedure, 18 C.F.R. § 388.112, a non-public version of the information redacted from the public filing is being provided under separate cover.

Because certain of the information in the attached documents is deemed "confidential" by NERC, Registered Entities and Regional Entities, NERC requests that the confidential, non-public information be provided special treatment in accordance with the above regulation.
