## Transit System and Airports

### [Metro](#)

The Metrorail system has six color-coded rail lines: Red, Orange, Silver, Blue, Yellow, and Green. The layout of the system makes it possible to travel between any two stations with no more than a single transfer. The Metrorail offers services starting at 5am on weekdays and enforces peak fares from opening to 9:30am and 3pm-7pm.

Please visit the website to utilize tools for the [Fare Finder](#) and [Metrorail Map](#).

### [Ronald Reagan National Airport \(DCA\)](#)

2401 Smith Boulevard

Arlington, VA 22202

#### ***Going towards NERC: How to Access the Metrorail Station from the Terminals:***

Take the BLUE line, traveling in the direction of Largo Town Center, to Metro Center. Take the 13th and G St. exit and walk across the street towards the Cathedral and Au Bon Pain. The 1325 G entrance is located directly to the left of the parking garage and Pizza Pino.

- **Terminal B and C:** Use either of the two enclosed pedestrian bridges on the concourse level which connect directly to the station.
- **Terminal A:** Exit the terminal to the street side curb and board any "Airport Shuttle" bus. At the stops for parking garage B and C (bus shelter #3 and bus shelter #5) you may access an enclosed bridge which connects to the Metrorail station.

#### ***Going towards Airport: How to Access the Terminal from Metro Rail***

Take BLUE line from Metro Center Station traveling towards Franconia-Springfield. Exit at Ronald Reagan airport station; follow the signs to the covered walkways from the station.

- **Terminal C:** Go to the north end of the train platform and exit the station. A pedestrian bridge connects directly to the Terminal's concourse level.
- **Terminal B:** Go to the south end of the train platform and exit the station. A pedestrian bridge connects directly to the Terminal's concourse level.
- **Terminal A:** Go to either end of the train platform, exit the station towards the parking garage. Take elevator or stairway down to street level and board any "Airport Shuttle" bus.
- **Elevator access:** The elevator is located at the center of the platform. There is a sloped sidewalk at ground level which connects to both pedestrian bridges.
