RE: *North American Electric Reliability Corporation*

Dear Mr. Erickson:

The North American Electric Reliability Corporation (“NERC”) hereby submits a supplement to the informational filing submitted on July 10, 2018<sup>1</sup> (“Informational Filing”). This supplement is submitted to provide additional information that in the Western Interconnection, 18 Balancing Authorities met their compliance obligations during the initial year of implementation of Reliability Standard BAL-003-1.1 through participation in a Frequency Response Sharing Group managed by the Northwest Power Pool. NERC is not requesting any action on the instant filing and this filing is submitted for informational purposes only.

Respectfully submitted,

*/s/ Candice Castaneda*
