

UNITED STATES OF AMERICA
FEDERAL ENERGY REGULATORY COMMISSION

Transmission Relay Loadability Reliability Standard Docket Nos. RM08-13-000

ERRATA NOTICE

(May 22, 2009)

On May 21, 2009, the Commission issued a “Notice of Proposed Rulemaking” in the above-referenced proceeding. *Transmission Relay Loadability Reliability Standard*, 127 FERC ¶ 61,175 (2009).

Paragraph 119 erroneously states that the time period for submitting comments is 30 days from publication in the *Federal Register*. This Errata Notice corrects paragraph 119 to state that the time period for submitting comments is 60 days from publication in the *Federal Register*.

Nathaniel J. Davis, Sr.,
Deputy Secretary.
