

UNITED STATES OF AMERICA
FEDERAL ENERGY REGULATORY COMMISSION

North American Electric Reliability Corporation

Docket Nos. RR06-1-012
RR07-3-002
RR07-8-002

ERRATA NOTICE

October 9, 2008

On July 15, 2008, the Director, Office of Electric Reliability issued a letter order in these dockets accepting a compliance report filed by the North American Electric Reliability Corporation in connection with the Northeast Power Coordinating Council, Inc. and the Florida Reliability Coordinating Council.

Paragraph 8 of said letter order inadvertently stated:

This action shall not be construed as accepting any contingency plan pursuant to 18 C.F.R. § 375.314(a)(1)(i) or any data or report pursuant to C.F.R. 375.314(b)(3)(iv). This action shall not be construed as approving any application including Electric Reliability Organization or Regional Entity Rules or procedures pursuant to 18 C.F.R. § 375.314(a)(2)(i).

Paragraph 8 of the order is corrected to state:

This action shall not be construed as accepting any other contingency plan pursuant to 18 C.F.R. § 375.314(a)(1)(i) or any other data or report pursuant to C.F.R. 375.314(b)(3)(iv). This action shall not be construed as approving any other application including Electric Reliability Organization or Regional Entity Rules or procedures pursuant to 18 C.F.R. § 375.314(a)(2)(i).

Joseph H. McClelland, Director
Office of Electric Reliability
