NOTICE OF EXTENSION OF TIME

(December 20, 2010)

On December 17, 2010, the North American Electric Reliability Corporation (NERC) filed a motion for an extension of time to file comments in response to the Commission's Notice of Proposed Rulemaking (NOPR) issued October 21, 2010, in the above-referenced proceeding.¹ The motion states that an extension of time, during this end-of-year holiday season, will allow NERC and the Western Electric Coordinating Council staff to coordinate the preparation of the NOPR comments and also to develop comments for stakeholder input.

Upon consideration, notice is hereby given that an extension of time for filing comments on the October 21 NOPR is granted to and including January 11, 2011.

Kimberly D. Bose,
Secretary.
