NOTICE OF EXTENSION OF TIME

(September 15, 2009)

On September 14, 2009, Constellation Energy Commodities Group, Inc. (Constellation) filed a motion for an extension of time to withdraw its Request for Appeal from the North American Electric Reliability Corporation's (NERC) decision to register Constellation as a Generator Operator in the NERC Compliance Registry. In its motion, Constellation requests that an extension be granted to ensure that, consistent with the Joint Settlement Agreement approved by the Commission on August 17, 2009¹ in this proceeding, Constellation not be required to file the withdrawal request prior to the expiration of the deadline for filing requests for rehearing of the Settlement Order.

Upon consideration, notice is hereby given that an extension of time for Constellation to withdraw its Request for Appeal is granted to and including October 1, 2009.

Kimberly D. Bose,
Secretary.
