NOTICE OF EXTENSION OF TIME

(February 19, 2009)

On February 18, 2009, the North American Electric Reliability Corporation (NERC) filed a motion for a further extension of time to submit a compliance filing in response to the Commission's Order Remanding Compliance Registry Determination to the Electric Reliability Organization issued November 20, 2008, in the above-referenced proceeding. *Constellation Energy Commodities Group, Inc.*, 125 FERC ¶ 61,205 (2008) (November 20 Order). The motion further states Constellation and Texas Regional Entity do not oppose the request for additional time.

Upon consideration, notice is hereby given that NERC is granted an extension of time to and including March 20, 2009, to submit a report on the status of settlement negotiations in this docket. NERC is further granted an extension of time to and including April 30, 2009, to submit a compliance filing in accordance with the Commission's November 20 Order.
