

UNITED STATES OF AMERICA  
FEDERAL ENERGY REGULATORY COMMISSION

North American Electric Reliability  
Corporation

Docket No. RR10-7-000

NOTICE OF EXTENSION OF TIME

(August 12, 2010)

On August 6, 2010, the North American Reliability Corporation (NERC) filed a motion for a modification of the date for complying with the Commission's Order Conditionally Accepting Compliance Monitoring and Enforcement Program Agreements, and Revised Delegation Agreements, and Ordering Compliance Filing issued July 12, 2010, in the above-referenced proceeding. *North American Electric Reliability Corporation*, 123 FERC ¶ 61,024 (2010) (July 12 Order). In its motion, NERC requests that an extension be granted pending Commission consideration of NERC's Request for Reconsideration, or in the Alternative, Rehearing of Paragraph 25 of the July 15 Order, which was also filed August 6, 2010, in this docket.

Upon consideration, notice is hereby given that an extension of time for complying with the July 12 Order is granted to and including January 10, 2011.

Kimberly D. Bose,  
Secretary.
