

FEDERAL ENERGY REGULATORY COMMISSION
WASHINGTON, D.C. 20426

OFFICE OF ELECTRIC RELIABILITY

North American Electric
Reliability Corporation
Docket No. RR07-11-001

November 2, 2007

North American Electric Reliability Corp.
1120 G Street, N.W., Suite 990
Washington, D.C. 20005-3801

Attention: Rebecca J. Michael, Attorney

Reference: Compliance filing regarding consistency of Western
Electricity Coordinating Council (WECC) regional reliability
Standard WECC-TOP-STD-007-0 with NERC reliability standard

Dear Ms. Michael:

On July 9, 2007, the North American Electric Reliability Corporation (NERC) filed an explanation regarding the consistency of WECC's regional reliability standard WECC-TOP-STD-007-0 with respect to NERC Reliability Standard IRO-005-1.

Notice of this filing was issued on July 12, 2007 with comments, protests or motions to intervene due on or before August 8, 2007.

Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and Procedure (18 C.F.R. § 385.214). Any opposed or untimely filed motion to intervene is governed by the provisions of Rule 214. No protests or adverse comments were filed.

NERC's filing satisfactorily responds to the Commission's directive, *Order Approving Regional Reliability Standards for the Western Interconnection and Directing Modifications*, 119 FERC ¶ 61,260 (2007) at P 108.

NERC's uncontested filing is accepted pursuant to the relevant authority delegated to the Director, Office of Electric Reliability under 18 C.F.R. § 375.314.

This action shall not be construed as accepting any other contingency plan pursuant to 18 C.F.R. § 375.314(a)(1)(i) or any other data or report pursuant to 18 C.F.R. § 375.314(b)(3)(iv). This action shall not be construed as approving any other application including Electric Reliability Organization or Regional Entity rules or procedures pursuant to 18 C.F.R. § 375.314(a)(2)(i). Such acceptance or approval shall not be deemed as recognition of any claimed right or obligation associated therewith; and such acceptance or approval is without prejudice to any findings or orders which have been or which may hereafter be made by the Commission in any proceeding now or pending or hereafter instituted by or against NERC or WECC.

This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.

Sincerely,

Joseph H. McClelland, Director
Office of Electric Reliability
