

UNITED STATES OF AMERICA
FEDERAL ENERGY REGULATORY COMMISSION

North American Electric Reliability Corporation

Docket No. RR08-4-005

NOTICE OF EXTENSION OF TIME

(July 6, 2010)

On March 5, 2010, the North American Electric Reliability Corporation (NERC) filed a request for a further extension of time (March 5 filing) to submit a compliance filing, as required by the Commission's *Order on Violation Severity Levels Proposed by the Electric Reliability Organization* issued June 19, 2008, in the above-referenced proceeding.¹ In its filing requesting an extension, NERC states that additional time is needed to allow further input and justification of violation severity assignments not included in its March 5 filing.

Upon consideration, notice is hereby given that an extension of time for submitting the compliance filing required by the Commission's *Order on Violation Severity Levels* is granted to and including December 1, 2010.
