**Re: Petition of the North American Electric Reliability Corporation for Approval of Amendments to Exhibit B to the Delegation Agreement with Southwest Power Pool, Inc. – Amendments to Southwest Power Pool, Inc.’s Bylaws
Docket No. RR15-____-000**

Dear Ms. Bose:

The North American Electric Reliability Corporation (“NERC”) hereby submits the “Petition of the North American Electric Reliability Corporation for Approval of Amendments to Exhibit B to the Delegation Agreement with Southwest Power Pool, Inc. – Amendments to Southwest Power Pool, Inc.’s Bylaws.”

The amendments to Southwest Power Pool, Inc.’s (“SPP”) Delegation Agreement increase the number of SPP’s Board of Directors from seven seats up to ten seats. Amendments to Sections 4.2.1, 4.6.1, 4.6.3, and 10.0 were made to reflect such expansion and modify the quorum and voting requirements to a majority plus one. As indicated in SPP’s June 16, 2015 Revisions to Bylaws filing, the proposed amendments to the SPP Bylaws do not affect SPP’s Regional Entity functions.¹ NERC staff has determined that there are no reliability-related issues raised by the amendments. As amended, the SPP Bylaws continue to satisfy the five governance criteria specified in Exhibit B of the SPP Delegation Agreement.

¹ See Docket No. ER15-1924-000 SPP Revisions to Bylaws to Expand the Board of Directors, submitted on June 16, 2015, and the Commission’s August 10, 2015 Letter Order approving the proposed Bylaws amendments.

This filing consists of: (1) this transmittal letter, (2) the narrative text of the Petition that follows this transmittal letter, and (3) Attachments 1 and 2 to the Petition that contain a clean version and a redline version of the proposed amendments to Exhibit B to the Delegation Agreement respectively. All of these documents are transmitted in a single PDF file.

Please contact the undersigned if you have any questions concerning this filing.

Respectfully submitted,

I. INTRODUCTION

Pursuant to § 215(e)(4) of the Federal Power Act² (“FPA”) and 18 C.F.R. § 39.8 (2012), the North American Electric Reliability Corporation (“NERC”) requests Federal Energy Regulatory Commission (“Commission”) approval of the amendments to the Delegation Agreement between NERC and Southwest Power Pool, Inc. (“SPP”). The proposed amendments to the SPP Delegation Agreement consist of amendments to Exhibit B, the SPP Bylaws.

As described in greater detail in Section III of this Petition, the SPP Bylaws amendments include amendments to the following sections: Sections 4.2.1, 4.6.1, 4.6.3, and 10.0. These amendments to the Delegation Agreement: (1) expand the SPP Board of Directors from a maximum of 7 to 10 with a minimum of 7 directors; (2) permit a meeting of the Board of Directors to be called upon concurrence of at least a majority of directors rather than 4; (3) change the number of directors required for quorum such that now the number of directors is a majority plus one rather than 5; and (4) establish that for any amendment(s) to be approved, a vote of a majority plus one is required rather than 5.

As noted in SPP’s June 16, 2015 Revisions to Bylaws filing, the instant amendments to the SPP Bylaws do not affect SPP’s Regional Entity functions. This filing is necessary, however, for NERC to formally include the revised Bylaws in the Delegation Agreement.³ NERC’s staff has determined that the revised SPP Bylaws continue to satisfy the five governance

² 16 U.S.C. § 824o (2012).

³ As a hybrid organization, SPP’s Bylaws contain provisions relating to both the Regional Transmission Organization (“RTO”) functions and Regional Entity functions. *See N. Am. Elec. Reliability Corp.*, 120 FERC ¶ 61,260, at PP 17-20 (2007). SPP Bylaws provisions affecting SPP’s Regional Entity functions are “Regional Entity Rules” as defined in 18 C.F.R. § 39.10 and require NERC approval. The instant amendments relate to an expansion of the SPP Board of Directors, who governs the SPP RTO functions. The SPP Regional Entity is governed by three independent Regional Entity Trustees who are independent of the Board of Directors and who do not serve as members of the SPP Board of Directors. *See Southwest Power Pool, Inc., Bylaws, First Revised Volume No. 4, at Section 9.7.2.1.*

criteria in the Delegation Agreement, and there are no reliability-related issues raised by the amendments to the SPP Bylaws. Accordingly, the NERC Board of Trustees approved the amended Delegation Agreement containing amendments to Sections 4.2.1, 4.6.1, 4.6.3, and 10.0 at its August 13, 2015 Board Meeting.

Attachments 1 and 2 to this Petition are clean and redlined versions, respectively, of the proposed amended Exhibit B to the Delegation Agreement. **Attachment 2** shows the proposed amendments to Exhibit B to the Delegation Agreement.

*Persons to be included on the Commission's official service list

⁴ Persons to be included on the Commission's service list are identified by an asterisk. NERC respectfully requests a waiver of Rule 203 of the Commission's regulations, 18 C.F.R. § 385.203 (2012), to allow the inclusion of more than two persons on the service list in this proceeding.

III. PROPOSED AMENDMENTS TO THE SPP BYLAWS

The proposed amendments to the Delegation Agreement revise the Bylaws to expand SPP's Board of Directors ("SPP Board") from seven to up to ten and revise the corresponding quorum and voting requirements to ensure harmony of these provisions in relation to the SPP Board expansion. The SPP Board expansion and corresponding quorum and voting requirements are intended to further the interests of director succession planning, taking into account director tenure, knowledge sharing, and risk management. Furthermore, the intent of such revisions is to foster flexibility so that SPP's interests may best be served in the timing of such SPP Board expansion.

The following paragraphs describe the proposed amendments to the Delegation Agreement, specifically Exhibit B.

1. Section 4.2 Composition and Qualifications

a. Section 4.2.1 Composition

- i. **Added** the option for up to 10 directors, specifically stating, "The Board of Directors shall consist of *up to ten persons, but no less than seven persons*. The directors shall be independent of any Member; one director shall be the President of SPP. A Director shall not be limited in the number of terms he/she may serve. The President shall be excluded from voting on business related to the office of President or the incumbent of that office. No other Staff member shall be permitted to serve as a director." (emphasis added).
- ii. **Deleted** "seven" from the beginning of the second sentence so that the second sentence now reads, "The directors shall be independent of any Member; one director shall be the President of SPP."

2. Section 4.6 Functioning of the Board of Directors

a. Section 4.6.1 Meetings and Notice of Meetings

- i. **Changed** the number of directors required to form a meeting from 4 to a majority of directors, thereby **deleting** "four" from the end of the first sentence and **adding** "a majority of" to replace four, so that the clause now states, "The Board of Directors shall meet at least three

times per calendar year and additionally upon the call of the Chair or upon concurrence of at least *a majority of directors.*” (emphasis added). The language was added to the first sentence of this Section.

b. Section 4.6.3 Quorum and Voting

- i. **Changed** the number of directors required to constitute a quorum of the Board of Directors from 5 to a majority plus one, thereby **deleting** “Five” from the beginning of the first sentence and **adding** “A majority plus one” to replace Five, so that the clause now states, “A *majority plus one* of the directors shall constitute a quorum of the Board of Directors; provided, that a lesser number may adjourn the meeting to a later time.” (emphasis added). The language was added at the beginning of the first sentence of this Section.

3. Section 10.0 Amendments To These Bylaws, The Articles Of Incorporation, And Membership Agreement

- a. **Changed** the number of directors required to vote for approving amendments from at least five to a majority plus one, thereby **deleting** “at least five” from the end of the second sentence and **adding** “a majority plus one of” to replace at least five, so that the clause now states, “Except for modifications to Section 4.0 BOARD OF DIRECTORS, Section 5.0 COMMITTEES ADVISING THE BOARD OF DIRECTORS, Section 8.7.5 LIMITATION ON FINANCIAL AND PENALTY OBLIGATIONS, Section 9.0 REGIONAL ENTITY FUNCTION, and Section 10.0 AMENDMENTS, these Bylaws may be amended, repealed, or added to by the Board of Directors only upon 30 days written notice to the Membership of the proposed modification(s). Approval of amendments to the Bylaws by the Board of Directors must be an affirmative vote of *a majority plus one of directors.*” (emphasis added). The language was added to of the second sentence of this Section.

IV. SPP AND NERC APPROVALS OF THE PROPOSED AMENDMENTS

On February 26, 2015, the SPP Corporate Governance Committee approved the proposed amendments to the Bylaws, and on March 26, 2015, the SPP Membership approved such amendments.

The NERC Board of Trustees approved the amended Delegation Agreement at its August 13, 2015 Board meeting. NERC determined that the amended Delegation Agreement continues to satisfy the five Governance criteria stated in Exhibit B.

V. CONCLUSION

NERC respectfully requests that the Commission approve the proposed amendments to its Delegation Agreement with SPP as shown in **Attachment 2** to this Petition.

These entities desire the greater efficiency and service reliability gained through better coordination by voluntary association in SPP as constituted herein and in the SPP Articles of Incorporation. Members recognize that such association has a significant effect upon the availability and reliability of the bulk electric power supply of the region, and thereby affects the reliability of the nation's electric power supply.

2.2 Applications

Membership by an entity shall be obtained upon meeting the following requirements:

- (a) Meeting membership qualifications;
- (b) Providing an application for membership to the SPP President; and
- (c) Executing the Membership Agreement and delivering a signed copy to the President.

The President shall review applications, approve those meeting membership qualifications and promptly give written notice of the new Member to all other Members. 3.0 ORGANIZATIONAL ADMINISTRATION

3.1 Structure

Member input on decision-making shall be accomplished primarily through Membership participation in Organizational Groups. Members are expected to provide representation to Organizational Groups as requested. Unless otherwise provided in these Bylaws, Organizational Group representation will be appointed by the Board of Directors, who shall consider the various types and expertise of Members and their geographic locations, to achieve a widespread and effective representation of the Membership. The Chair of any Organizational Group may appoint any ad hoc task forces as necessary to fulfill its mission. Task force appointments shall be made with due consideration of the various types and expertise of Members and their geographic locations. Criteria for serving on an Organizational Group will be determined in the group's scope. Except for any full representation group, an appointment to an Organizational Group is for an individual, not a corporate entity. Participation in certain sessions of Organizational Group meetings where market sensitive issues are discussed may be restricted to persons representing entities that have executed ERO's Confidentiality Agreement. Representatives on all Organizational Groups will be documented in the SPP directory maintained by the Staff. Organizational Group vacancies will be filled on an interim basis by appointment of the President unless otherwise provided for in these Bylaws.

3.2 Attendance and Proxy

Except for the Market and Operations Policy Committee (MOPC), if a representative does not attend three consecutive Organizational Group meetings, he/she will be considered to have resigned from the group, absent express waiver of this requirement by the chair of the group. Any appeal of removal from the roster of an Organizational Group should be directed to the Corporate Secretary. Any resulting vacancy will be filled in accordance with Section 3.1 Structure of these Bylaws. If a representative is unable to attend an Organizational Group meeting, he/she may in writing appoint a substitute representative who shall have such rights to participate and vote as the representative specifies. The substitute representative may be another member of the Organizational Group or another person who has the authority to act on behalf of the representative. A representative may not grant a proxy for more than three consecutive meetings without the express consent of the chair of the Organizational Group. If a representative exceeds the proxy limit, he/she will be considered to have resigned from the Organizational Group and the vacancy will be filled in accordance with these Bylaws; except, in the case of any full representation Organizational Group, in which case a new representative will be solicited from the member company.

A proxy provided to another representative of the Organizational Group will not be recorded as attendance at the meeting and will not serve to meet or maintain the quorum requirements. A proxy provided to another person with the authority to act on behalf of the representative will be recorded as attendance at a meeting for the purpose of meeting or maintaining the quorum requirements.

3.3 Leadership

3.3.1 Appointment

The Chair of all Organizational Groups shall be nominated by the Corporate Governance Committee for consideration and appointment by the Board of Directors. A Vice Chair shall be elected by the members of an Organizational Group, unless provided otherwise in these Bylaws. A Vice Chair shall act for a Chair:

- (a) at the request of the Chair;
- (b) if the Chair becomes incapacitated and unable to discharge the functions of the position; or
- (c) if the position of the Chair becomes vacant, until a new Chair takes office.

3.3.2 Terms

The terms of the Chair and Vice Chair of all Organizational Groups shall coincide with the two-year term of the Chair of the Board of Directors. Organizational Group representation will be reviewed annually for compliance with the Bylaws by the Corporate Governance Committee.

3.3.3 Vacancies

Should any individual having been appointed as a Chair of any Organizational Group be unable to serve for the term specified, or be unable to serve on a NERC Organizational Group under provisions of these Bylaws, a replacement shall be appointed by the Chair of the Board of Directors for the unexpired term of office.

3.4 Executive Authority

The Officers shall carry out the rights, duties, and obligations of SPP pursuant to the authority granted by the Board of Directors. Officers will execute the SPP Standards of Conduct upon employment. The Standards of Conduct outline the independence requirements for all employees of SPP. The Officers shall be empowered to:

- (a) employ qualified technical and administrative employees;
- (b) engage office space;
- (c) employ outside technical and special service organizations;
- (d) execute contracts;
- (e) provide for independent regional reliability coordination, transmission service administration, and other services as may be directed by the Board of Directors;
- (f) serve as SPP's representative before regulatory bodies, NERC, and in other public forums;
- (g) incur reasonable expenses; and
- (h) make Staff resources available to individual Members or groups of Members on a non-firm, non-priority, first-come-first-serve basis so as not to interfere with current or future needs and priorities established by SPP.

3.5 Meetings

Organizational Groups shall meet as necessary. SPP meetings shall be open, however, any Organizational Group may limit attendance at a meeting by an affirmative vote of the Organizational Group as necessary to safeguard confidentiality of sensitive information, including but not limited to Order 889 Code of Conduct requirements, personnel, financial, or legal matters. Representatives shall be given at least fifteen days written notice of the date, time, place and purpose of each regular or special meeting. Telephone conference meetings may be called as appropriate by the Chair of any Organizational Group with at least one-day prior notice.

3.6 Order of Business

The latest edition of Robert's Rules of Order will generally govern all SPP meetings on any point not specifically covered in these Bylaws.

3.7 Expenses

The expenses of a representative participating in the activities of SPP Organizational Groups and task forces shall be borne by that representative.

3.8 Quorum

The quorum for a meeting of the Markets and Operations Policy Committee or the Membership shall be those Members present. The quorum for any other Organizational Group or task force shall be one-half of the representatives thereof, but not less than three representatives; provided, that a lesser number may adjourn the meeting to a later time. The quorum for a meeting must be established and maintained throughout the meeting in order for the Organizational Group to take any binding action(s). Notwithstanding the above, any actions taken before a quorum is lost are considered valid and binding. A proxy will serve to meet the quorum requirements as described in Section 3.2 Proxy of these Bylaws.

3.9 Voting

3.9.1 Markets and Operations Policy Committee and Membership

Upon joining, Members shall be assigned to one of two Membership sectors for the sole purpose of voting on matters before the Markets and Operations Policy Committee or the Membership: Transmission Owning Members, or Transmission Using Members. Each sector votes separately with the result for that sector being a percent of approving votes to the total number of Members voting. An action is approved if the average of these two percentages is at least sixty-six percent. If no Members are present within a sector, the single present sector-voting ratio will determine approval. Unless otherwise stated in these Bylaws, the Markets and Operations Policy Committee or the Membership may determine to vote on an issue by email. The outcome of any email vote must be recorded in the minutes for the group.

3.9.2 Organizational Groups and Task Forces

Each representative of an Organizational Group or Task Force shall have one vote. A simple majority of participants present or represented by proxy and voting shall be required for approval of an action for all other Organizational Group and Task Force action(s). Unless otherwise stated in these Bylaws, an Organizational Group or Task Force may determine to vote on an issue by email. The outcome of any email vote must be recorded in the minutes for the group.

If an Organizational Group is acting as a Standards Development Team as defined in Section 9.5 Regional Reliability Standards Development Process of these Bylaws, it will vote in accordance with the SPP Standards Development Process as approved by FERC.

3.10 Appeal

Should any Member or group of Members disagree on an action taken or recommended by any Organizational Group, such Member(s) may, in writing, appeal and submit an alternate recommendation to the Board of Directors prior to the meeting at which consideration of the action by the Board of Directors is scheduled.

3.11 Staff Independence and Support

SPP Staff members will be required to execute the SPP Standards of Conduct upon employment and annually thereafter. The Standards of Conduct outline the independence requirements for employees of SPP. The President shall assign to each Organizational Group an SPP Staff member, who shall attend all meetings and act as secretary to the Organizational Group and any ad hoc task forces of that group. Staff secretaries of all Organizational Groups and task forces shall be non-voting. Minutes shall be kept of pertinent discussion, business transacted, decisions reached, and actions taken at each meeting of SPP Organizational Groups or task forces by the secretary. Minutes shall be published within seven calendar days following a meeting but in any event in advance of the next meeting, and considered final documents upon their approval by the Organizational Group or task force.

3.12 Publications and Data Bases

SPP shall publish and distribute reports as necessary to fulfill the SPP mission. SPP shall also develop and maintain electronic databases of relevant technical information. The release of member-specific proprietary information will be governed by the appropriate SPP governing document (the OATT, the Membership Agreement, the Bylaws, the SPP Criteria) and/or a properly executed confidentiality agreement. Standard publications and standard forms of non-proprietary information will be made available at no charge

3.13 Dispute Resolution

These procedures are established for the equitable, efficient and expeditious resolution of disputes. These procedures are intended to cover disputes between any two or more Members, between Members and consenting non-members, or between SPP and any Member(s) or consenting non-member(s). SPP and Members are strongly encouraged to take part in the complete process herein described prior to litigation or the utilization of other dispute resolution processes. SPP administrative involvement in the proceeding is to coordinate with an appropriate firm or panel to facilitate the resolution of the dispute and to provide meeting coordination and facilities. These procedures do not apply to disputes that are covered by the dispute resolution procedures of the SPP OATT or the SPP Compliance Monitoring and Enforcement Program.

3.13.1 Instigation

Any Member may begin these dispute resolution procedures by making a request in writing to the President. The President will inform the Board of Directors of the initiation of any dispute resolution proceedings. This written request must contain the authorized signatures of all parties to the dispute. The request must contain:

- (a) a statement of the issues in dispute;
- (b) the positions of each of the parties relating to each of the issues;
- (c) the specific dispute resolution procedure desired; and
- (d) any agreed-upon modifications or specific additions to the proceedings described in these Bylaws by which the dispute may be resolved.

3.13.2 Dispute Resolution Process

In the event SPP is a party to the dispute, the parties shall engage a firm specializing in alternative dispute resolution to administer the dispute resolution process. The firm will be mutually determined by the parties and the process will be administered in accordance with these Bylaws and such other SPP governing documents as may be relevant to the proceeding. In the event the parties cannot

mutually agree to the engagement of a firm, the dispute resolution process will be abandoned and other available means for resolution will be pursued.

In the event SPP is not a party to the dispute, the parties to the dispute may engage a firm specializing in alternative dispute resolution to administer the dispute resolution process. The firm will be mutually determined by the parties and the process will be administered in accordance with these Bylaws and such other SPP governing documents as may be relevant to the proceeding. In the event the parties cannot mutually agree to the engagement of a firm, and do not determine some other mutually acceptable procedure, the President of SPP shall provide to each party to the dispute a list of candidates to be used in forming a three-person dispute resolution panel. The candidates shall be persons meeting the requirements for directors. The President shall then call a telephone conference meeting during which each party shall alternate striking names from the list until those remaining constitute the dispute resolution panel. This panel shall select a chair from its membership. Should any candidate decline to serve or resign from a current appointment for any reason, the candidate whose name was last struck from the list shall be contacted to serve. The President shall assign a Staff representative to assist the panel as secretary. The President shall manage the panel selection process to ensure its timely completion.

3.13.3 Resolution Procedures

The types of proceedings available for the resolution of disputes are:

- (a) An Advisory Proceeding to assist each party through discussion and advice, on a separate and individual basis without active participation in the joint discussions and negotiations, to resolve the dispute informally by mutual agreement;
- (b) A Mediation Proceeding to assist the parties through active participation in the joint discussions and negotiations (including specific recommendations of the issues in dispute) through which the parties indirectly attempt to resolve the dispute informally by mutual agreement;
- (c) A non-binding Dispute Resolution Proceeding to hear formal evidence on factual matters related to the issues submitted, make written findings and conclusions of

fact, and issue specific written recommendations for resolution of each issue in dispute.

- (d) A binding Dispute Resolution Proceeding to hear formal evidence on factual matters related to the issues submitted, make written findings and conclusions of fact, and issue directives and awards for resolution of each issue in dispute.

The panel chair shall determine meeting arrangements and format necessary to efficiently expedite the resolution of the dispute, and the Staff secretary shall notify the parties of these details. Each party to the dispute must have at least one representative present at all related meetings with full authority to resolve the dispute. Upon conclusion of this process, the panel chair shall notify the President of its outcome. After consultation with the parties to the dispute and the panel chair to determine the completion of the process as described herein, and/or as modified by the parties, the President shall discharge the panel, and notify the Board of Directors of the results. The parties to the dispute agree to complete the process within 90 days from selection of the panel. Final determinations may be subject to corporate or regulatory approvals, which the parties should disclose at the outset of the process. The Staff secretary shall maintain minutes of the panel meetings, which shall become part of SPP's historical records.

3.13.4 Expenses

The parties to the dispute shall share equally all reasonable charges for the meeting location, administrative costs, and related travel expenses of panel members. The parties to the dispute shall also share equally all reasonable compensation for time and service of panel members and related incremental expenses of the SPP Staff. The President shall determine reasonableness of time and service costs for panel members prior to process implementation. The SPP Staff secretary shall account for these expenses. Each party to the dispute shall be responsible for their respective associated expenses.

3.13.5 Liability

The parties to any dispute which is the subject of these dispute resolution procedures shall hold harmless SPP, its Members, Organizational Groups and each of their directors, officers, agents, employees or other representatives, and the panel members from any liabilities, claims, or damages resulting from any agreement or lack of agreement as a result of the dispute resolution proceedings. The foregoing hold harmless right shall not be extended to the parties to any given dispute or to their directors, officers, agents, employees or other representatives.

3.14 Meeting of Members

The Chair of the Board of Directors shall convene and preside over meetings of Members for the purpose of electing Directors, Members Committee representatives, and Regional Entity Trustees to positions becoming vacant in the ensuing year, and any other necessary business. The Membership shall meet at least once per calendar year.

3.15 Liability, Insurance and Indemnification

For purposes of this section “SPP” refers to SPP and its officers, directors, Regional Entity Trustees, employees or agents, and “Member” refers to the Members of SPP as defined in these Bylaws. None of the provisions of this section, including the waiver of liability in Section 3.15.1 below, absolving SPP or its Members, directors, Regional Entity Trustees, officer, agents, employees or other representatives of liability or any provisions for insurance or indemnification apply to actions which are unlawful, undertaken in bad faith, or are the result of gross negligence or willful misconduct.

3.15.1 Waiver of Liability

- (a) SPP shall not be liable to any Member for damages arising out of or related to any directive, order, procedure, action, or requirement of SPP, under the then effective Bylaws and Criteria.
- (b) No Member shall be liable to any other Member or to SPP for damages arising out of or related to any action by the Member pursuant to any directive, order, procedure, action or requirement of SPP, under the then effective Bylaws and Criteria.
- (c) Each Member waives any future claim it might have against SPP or other Members arising out of or resulting from any directive, order, procedure, action or requirement of SPP, under the then effective Bylaws and Criteria.
- (d) SPP waives any future claim it might have against any Member arising out of or resulting from any actions taken by a Member pursuant to any directive, order, procedure, action or requirement of SPP, under the then effective Bylaws and Criteria.

3.15.2 Insurance

The President is authorized to procure insurance to protect SPP, its directors, Regional Entity Trustees, officers, agents, employees, or other representatives against damages arising out of or related to any directive, order, procedure, action or requirement of SPP, under the then effective Bylaws and Criteria or pursuant to the OATT.

3.15.3 Indemnification of Directors, Officers, Agents and Employees

Except for actions which are unlawful, undertaken in bad faith, or are the result of gross negligence or willful misconduct, SPP shall indemnify its directors, officers, agents, employees, or other representatives to the maximum extent allowed by law consistent with these Bylaws. Each director, Regional Entity Trustee, officer, agent, employee, or other representative of SPP shall be indemnified by SPP against all judgments, penalties, fines, settlements, and reasonable expenses, including legal fees, incurred as a result of, or in connection with, any threatened, pending or completed civil, criminal, administrative, or investigative proceedings to which the incumbent may be made a party by reason of acting or having acted in official capacity as a director, Regional Entity Trustee, officer, agent, employee, or representative of SPP, or in any other capacity which the incumbent may hold at the request of SPP, as its representative in any other organization, subject to the following conditions:

- (a) Such director, Regional Entity Trustee, officer, agent, employee, or other representative must have acted in good faith and, in the case of criminal proceedings, must have had no reasonable cause to believe that conduct was unlawful; provided, that SPP shall not provide indemnification of any conduct judged unlawful in criminal proceedings. When acting in official capacity, the incumbent must have reasonably believed that conduct was in the best interests of SPP, and, when acting in any other capacity, must have reasonably believed that conduct was at least not opposed to the best interests of SPP.
- (b) If the proceeding was brought by or on behalf of SPP, however, indemnification shall be made only with respect to reasonable expenses referenced above. No indemnification of any kind shall be made in any such proceeding in which the director, Regional Entity Trustee, officer, agent, employee, or other representative shall have been adjudged liable to SPP.

- (c) In no event, however, will indemnification be made with respect to any described proceeding which charges or alleges improper personal benefit to a director, Regional Entity Trustee, officer, agent, employee, or other representative and where liability is imposed on the basis of the receipt of such improper personal benefit.
- (d) In order for any director, Regional Entity Trustee, agent, employee, or other representative to receive indemnification under this provision, the person shall vigorously assert and pursue any and all defenses to those claims, charges, or proceedings covered herein which are reasonable and legally available and shall fully cooperate with SPP or any attorneys involved in the defense of any such claim, charges, or proceedings on behalf of SPP.
- (e) No indemnification shall be made in any specific instance until it has been determined by SPP that indemnification is permissible in that specific case, under the standards set forth herein and that any expenses claimed or to be incurred are reasonable. These two (2) determinations shall be made by a majority vote of at least a quorum of the Board of Directors consisting solely of directors who were not parties to the proceeding for which indemnification or reimbursement of expenses is claimed. If such a quorum cannot be obtained, a majority of at least a quorum of the full Board of Directors, including directors who are parties to said proceeding, shall designate a special legal counsel who shall make said determinations on behalf of SPP.
- (f) Any reasonable expenses, as shall be determined above, that have been incurred by a director, Regional Entity Trustee, officer, agent, employee, or other representative who has been made a party to a proceeding as defined herein, may be paid or reimbursed in advance upon a majority vote of a quorum of the full Board of Directors, including those who may be a party to the same proceeding.

However, such director, Regional Entity Trustee, officer, agent, employee, or other representative shall have provided SPP with (i) a written affirmation under oath that the incumbent, in good faith, believes the conditions of indemnification herein have been met; and (ii) a written undertaking that the incumbent shall repay any amounts advanced, with interest accumulated at a reasonable rate, if it is ultimately determined that such conditions are not met.

3.15.4 Limitations

The provisions of this section 3.15 are subject to applicable state and Federal laws, if any, which limit the ability of a Member to waive liability or enter into agreements of indemnity. Any benefits under this Section 3.15 shall not extend to any Member so limited by state or Federal law in complying with the provisions thereof.

3.15.5 Modification of Rights by Agreement

Any provision of this Section 3.15.1 may be waived or modified by express written agreement between SPP and Member. Such express written agreement shall apply solely to the subject matter of the agreement and is not intended to be a general waiver or modification of the rights provided in Section 3.15.1.

3.15.6 Procedural Rights Not Affected

The limitations of liability provided in Section 3.15.1 shall not affect any procedural rights or obligation a Member may have at law or equity.

3.16 Compliance with Membership Requirements

Compliance monitoring of Members and Staff shall be performed to ensure compliance with all requirements of Membership. Certain SPP compliance monitoring and enforcement functions, as detailed in Section 9.0, shall be performed in concert with related ERO programs, and will be overseen by the Regional Entity Trustees. Market monitoring functions shall be carried out in a manner consistent with the safe and reliable operation of the SPP transmission system, the operation of a robust, competitive and non-discriminatory electric power market, and the principle that a Market Participant as defined in the SPP OATT, or group of Market Participants, shall not have undue influence or impact.

The market monitoring unit shall report to the Board of Directors, except that any management representatives on the Board of Directors are excluded from oversight of the internal market monitor. Any public reports submitted shall be provided to the Board of Directors and concurrently to Commission staff, staff of interested state commissions, SPP management, and the market participants. 6.4 Oversight Committee

The Oversight Committee (OC) is responsible for monitoring compliance with SPP and regulatory policies for the company in accordance with its scope as approved by the Board of Directors.

The Board of Directors shall appoint the representatives of the OC. Each representative of the OC shall continue to be a representative thereof until the Board of Directors appoints his/her successor. Where a vacancy occurs, the Board of Directors will fill the vacancy.

The OC shall meet as needed, provided that a quorum, as defined in these Bylaws, is present. The OC shall report to the Board of Directors following each OC meeting with respect to its activities and with such recommendations, as the OC deems necessary.

The FC shall be comprised of six members. Two representatives shall be from the Board of Directors, one of whom shall serve as the Chair; two representatives from the Transmission Owning Member sector as nominated by the Corporate Governance Committee; and two representatives from the Transmission Using Member sector as nominated by the Corporate Governance Committee.

The Board of Directors shall appoint the representatives of the FC. Each representative of the FC shall continue to be a representative thereof until the Board of Directors appoints his/her successor. Where a vacancy occurs the Corporate Governance Committee will fill the vacancy on an interim basis until the next meeting of the Board of Directors.

The FC shall meet at least twice per calendar year, and additionally as needed, provided that a quorum, as defined in these Bylaws, is present. The FC shall report to the Board of Directors following each FC meeting with respect to its activities and with such recommendations, as the FC deems necessary.

6.6 Corporate Governance Committee

The Corporate Governance Committee is responsible for the overall governance structure, including nominations, for the company in accordance with its scope as approved by the Board of Directors.

To the extent that the membership allows, the CGC shall be comprised of eleven members. One representative shall be the President of SPP who will serve as the Chair; one representative shall be the Chairman of the Board, unless his/her position is under consideration, in which case the Vice Chairman of the Board; one representative shall be representative of and selected by investor owned utilities Members; one representative shall be representative of and selected by co-operatives Members; one representative shall be representative of and selected by municipals Members; one representative shall be representative of and selected by independent power producers/marketers Members; one representative shall be representative of and selected by state power agencies Members; one representative shall be representative of and selected by alternative power/public interest Members; one representative shall be from an independent transmission company Member, defined as having assets under the OATT and no Affiliate Relationships in other categories of Membership; one representative shall be representative of and selected by large/small retail Members; and one representative shall be representative of and selected by a Federal Power Marketing Agency Member(s).

The CGC shall meet at least once per calendar year, and additionally as needed, provided that a quorum, as defined in these Bylaws, is present. The CGC shall report to the Board of Directors following each CGC meeting with respect to its activities and with such recommendations, as the CGC deems necessary.

7.0 Regulatory Involvement and Regional State Committee

Any regulatory agency having utility rates or services jurisdiction over a Member may participate fully in all SPP activities, including participation at the SPP Board of Directors meetings. These representatives shall have all the same rights as Members except the right to vote. Participation includes the designation of representatives by each of the regulatory jurisdictions to participate in any type of committee, working group, task force, and Board of Directors meetings.

7.1 Retention of State Regulatory Jurisdiction

Nothing in the formation or operation of SPP as a FERC recognized regional transmission organization is in any way intended to diminish existing state regulatory jurisdiction and authority. Each state regulatory agency is expressly reserved the right to exercise all lawful means available to protect its existing jurisdiction and authority.

7.2 Regional State Committee

An RSC, to be comprised of one designated commissioner from each state regulatory commission having jurisdiction over an SPP Member, shall be established to provide both direction and input on all matters pertinent to the participation of the Members in SPP. This direction and input shall be provided within the context of SPP's organizational group meetings as well as Board of Directors meetings. The SPP Staff will assist the RSC in its collective responsibilities and requests by providing information and analysis. SPP will fund the costs of the RSC pursuant to an annual budget developed by the RSC and submitted to SPP as part of its budgeting process, which budget must ultimately be approved by the Board of Directors.

The RSC has primary responsibility for determining regional proposals and the transition process in the following areas:

- (a) whether and to what extent participant funding will be used for transmission enhancements;
- (b) whether license plate or postage stamp rates will be used for the regional access charge;
- (c) FTR allocation, where a locational price methodology is used; and
- (d) the transition mechanism to be used to assure that existing firm customers receive FTRs equivalent to the customers' existing firm rights.

The RSC will also determine the approach for resource adequacy across the entire region. In addition, with respect to transmission planning, the RSC will determine whether transmission upgrades for remote resources will be included in the regional transmission planning process and the role of transmission owners in proposing transmission upgrades in the regional planning process.

As the RSC reaches decisions on the methodology that will be used to address any of these issues, SPP will file this methodology pursuant to Section 205 of the Federal Power Act. However, nothing in this section prohibits SPP from filing its own related proposal(s) pursuant to Section 205 of the Federal Power Act.

7.3 Retention of Other Regulatory Jurisdiction

Nothing in the formation or operation of SPP as a FERC recognized regional transmission organization is in any way intended to diminish the jurisdiction or authority of any other regulatory body. Any regulatory agency having utility rates or services jurisdiction over a Member or the regional transmission organization reserves the right to exercise all lawful means available to protect its existing jurisdiction and authority.

8.0 Fiscal Administration

The fiscal year shall coincide with the calendar year.

8.1 Operating Budget

SPP Staff and the Finance Committee will prepare an annual budget of expenditures for the next fiscal year and an estimate for an additional two years. The proposed budget shall be submitted to the Board of Directors not less than two weeks prior to the meeting at which the budget is to be considered for approval. Except as addressed in Section 9.0 Regional Entity Function, once approved by the Board of Directors, the budget shall constitute the authority required by the Officers for expenditures for the ensuing year. Modifications to the budget during the fiscal year must be recommended to the Board of Directors by the Finance Committee. The President shall have the authority to approve expenditures in accordance with SPP policy as approved by the Board of Directors.

8.2 Annual Membership Fee

All SPP Members will be subject to an annual membership fee in the amount of \$6,000, or other amount established by the Board of Directors. Unless otherwise agreed, Membership fees for new Members are due at the execution of the Membership Agreement. Membership fees are not subject to refund. The Board of Directors shall determine the annual membership fee for the upcoming year in advance of the last meeting of Members in a calendar year. Legitimate public interest groups (e.g. consumer advocates, environmental groups, or citizen participation groups) may seek a waiver of the annual membership fee. The request for waiver must be directed to the President in writing 90 days in advance of the start of each fiscal year.

8.3 ERO and Regional Entity Costs

SPP is a Regional Entity of the Electric Reliability Organization and is subject to the terms of the Delegation Agreement executed by SPP and the ERO. SPP will have certain functions as signatory to the Delegation Agreement related to the establishment and submission of annual budgets related to fulfillment of Regional Entity functions as well as participation in the costs incurred by ERO. The Delegation Agreement may specify SPP's responsibility to collect ERO costs from SPP's Regional Entity footprint, and may specify ERO's responsibility to fund SPP's Regional Entity budget.

SPP will clearly set out the costs associated with its operation as a Regional Entity within SPP's annual budget.

8.4 Monthly Assessments

SPP will assess certain Members described herein on a monthly basis all costs not otherwise collected. Costs recovered under the assessment will include but are not limited to all operating costs, financing costs, debt repayment, and capital expenditures associated with the performance of SPP's functions as assigned by the Board of Directors. Significant among these are costs associated with regional reliability coordination and the provision of transmission service. SPP shall determine the assessment rate based on its annual budgeted net expenditures divided by estimated annual Schedule 1 billing units for service sold under SPP's OATT and Member load eligible to take, but not taking, Network Integration Transmission Service under SPP's OATT. The Board of Directors may review the assumptions used in determining the assessment rate at any time and may adjust the assessment rate appropriately should conditions warrant. Each load-serving Member shall then be assessed the monthly assessment rate applied to its load eligible to take Network Integration Transmission Service under the SPP OATT. Further, each load-serving Member shall receive a credit against the monthly assessment for that month's Schedule 1-A fees paid for Network Integration Transmission Service and for Point-to-Point Transmission Service that had a delivery point within the SPP region, under the SPP OATT.

8.5 Fiscal Agent

The President shall serve as the fiscal agent of SPP. The President shall keep an up-to-date record of receipts and disbursements and furnish reports to the Board of Directors and the Finance Committee.

8.6 Auditors

The Board of Directors shall annually engage an independent certified public accounting firm to perform an annual audit of SPP's financial records and prepare a report on the financial condition of SPP. The Finance Committee shall present the audit report to the Board of Directors upon completion.

8.7 Financial Obligation of Withdrawing Members

8.7.1 Existing Obligations

“Existing Obligations” are the following:

- a. Member’s unpaid annual membership fee.
- b. Member’s unpaid dues, assessments, and other amounts charged under Section 3.8 of the Membership Agreement, section 8.4 of the Bylaws, or otherwise under the Bylaws, plus the Member’s share of costs SPP customarily includes in such dues, assessments or other charges, but which as of the Termination Date SPP had not included in such dues, assessments or other charges.
- c. Member’s share (computed in accordance with the Bylaws) of the entire principal amounts of all SPP Financial Obligations outstanding as of the Termination Date. “Financial Obligations” are all long-term (in excess of six (6) months) financial obligations of SPP, including but not limited to the following:
 - i. debts under all mortgages, loans, loan agreements, borrowings, promissory notes, bonds, and credit lines, under which SPP is obligated, including principal and interest;
 - ii. all payment obligations under equipment leases, financing leases, capital leases, real estate and office space leases, consulting contracts, and contracts for outsourced services;
 - iii. any unfunded liabilities of any SPP employee pension funds, whether or not liquidated or demanded; and
 - iv. the general and administrative overhead of SPP for a period of three (3) months.
- d. Any costs, expenses or liabilities incurred by SPP directly due to the Termination, regardless of when incurred or payable, and including without limitation prepayment premiums or penalties arising under SPP Financial Obligations.
- e. Member’s share (computed in accordance with the Bylaws) of all interest that will become due for payment with respect to all interest

bearing Financial Obligations after the Termination Date and until the maturity of all Financial Obligations in accordance with their respective terms (“Future Interest”). In the event that a Financial Obligation carries a variable interest rate, the interest rate in effect at the Termination Date shall be used to calculate the applicable Future Interest. In determining the Member’s share of Future Interest, SPP shall take into account any reduction of Financial Obligations due to mitigation under this Section.

8.7.2 Computation of a Member’s Existing Obligations

For purposes of computing the Existing Obligations of any withdrawing or terminated Member in accordance with the Membership Agreement, such “Member’s share” is a percentage calculated as follows:

$$A = 100 [0.25(1/N) + 0.75(B/C)]$$

Where: A = Member’s share (expressed as a percentage)

N = Total number of Members

B = The Member's previous year Net Energy for Load

C = Total of factor B for all Members

The Finance Committee shall have the discretion to reduce the Existing Obligations of any withdrawing or Terminated Member, to reflect any SPP costs or expenses that may be mitigated in connection with such Member’s withdrawal or termination. In the event of consolidation of affiliate memberships or the transfer of membership from one corporate entity to another, whereby one entity remains a member of SPP, the withdrawal obligation for the departing company(ies) may be waived at SPP’s sole discretion.

8.7.3 Financial Obligations for Transmission Facilities

To the extent that Section 4.3.3A of the Membership Agreement is applicable, a Terminated Member shall remain financially responsible for all financial obligations incurred and costs allocated to its load for transmission facilities approved prior to the Termination Date.

8.7.4 Penalty Costs

A Terminated Member shall remain liable for its share of costs associated with penalties assessed against SPP by FERC, the FERC-approved Electric

Reliability Organization, any Electric Reliability Organization-approved Regional Entity, or any other governmental or regulatory authority with jurisdiction over SPP that SPP incurs as a result of events that occurred prior to Member's Termination Date but that SPP is unable to recover under the SPP OATT.

8.7.5 Limitation on Financial and Penalty Obligations

(a) Notwithstanding the delineation of Members' financial obligations in Section 8.7, a Federal Power Marketing Agency shall not be subject to the financial obligations listed in this Section 8.7 in the event FERC finds that SPP has not adhered to all of the Federal Power Marketing Agency Amendments as that term is defined in Section 1.0 of these Bylaws or if SPP files and FERC approves material changes to the Federal Power Marketing Agency Amendments.

(b) Provided further, notwithstanding any language to the contrary in these Bylaws, a Federal Power Marketing Agency has not waived or conceded any defense it may have, including sovereign immunity, intergovernmental immunity, or lack of subject matter jurisdiction in any action against it by an Enforcement Authority, nor has it accepted any liability, responsibility, or obligation to pay any civil monetary penalties or fines imposed by an Enforcement Authority to which it would not have been subject in the absence of these Bylaws. SPP, in accepting Western-UGP as a member, does not thereby concede or accept responsibility for any portion of a penalty or fine attributable to the actions or omissions of Western-UGP. SPP will identify the amount of any penalty or fine that SPP allocates to Western-UGP or that SPP determines is attributable to Western-UGP and will identify that amount to FERC as uncollectable and not otherwise owed by SPP. Enforcement Authority in these Bylaws means the Federal Energy Regulatory Commission (FERC), Electric Reliability Organization (ERO), or Regional Entities with enforcement authority pursuant to a delegation from an ERO or FERC for the purpose of proposing and enforcing reliability standards.

9.0 REGIONAL ENTITY FUNCTION

9.1 Regional Entity

For purposes of an SDT, participation and voting will be open to any interested party in accordance with the Standards Development Process and without regard to membership status in SPP.

9.6 Compliance Monitoring and Enforcement Program

The Regional Entity Trustees will oversee SPP's Compliance Monitoring and Enforcement Program (CMEP). The CMEP will enforce compliance according to ERO reliability standards for Registered Entities. Regional Entity staff shall oversee compliance auditing of registered entities, and will report audit results to the Regional Entity Trustees. Trustees may invest in accordance with the SPP Standards of Conduct. Participation in a pension plan of a Member, customer, or Registered Entity in the SPP footprint shall not be deemed to be a direct financial benefit if the Member's, customer's, or Registered Entity's financial performance has no material effect on such pension plan.

- 2) If multiple candidates are nominated for a seat, each Member shall be entitled to cast a vote for only one nominee, but may vote against each candidate. The votes will be calculated in accordance with Section 3.9 Voting of these Bylaws, with the exception that a simple majority of votes cast will determine which nominee is elected. In the event a trustee position is not filled, the Corporate Governance Committee will determine a new nominee for recommendation for election by the Membership at a special meeting of Members to be held no later than the next regular Board of Directors/Members Committee meeting.

9.7.4 Resignation and Removal of Regional Entity Trustees

PREAMBLE

The values and principles upon which SPP is incorporated and formed include: a relationship-based organization; member-driven processes; independence through diversity of Organizational Group membership; recognition that reliability and economic/equity issues are inseparable; and, deliberate evolutionary, as opposed to revolutionary, implementation of new concepts. These values and principles should guide those serving this organization. The Board of Directors will endeavor to ensure equity to all Members while also assuring the continuous adaptation to controlling conditions within these stated values and principles.

A representative may not grant a proxy for more than three consecutive meetings without the express consent of the chair of the Organizational Group. If a representative exceeds the proxy limit, he/she will be considered to have resigned from the Organizational Group and the vacancy will be filled in accordance with these Bylaws; except, in the case of any full representation Organizational Group, in which case a new representative will be solicited from the member company.

A proxy provided to another representative of the Organizational Group will not be recorded as attendance at the meeting and will not serve to meet or maintain the quorum requirements. A proxy provided to another person with the authority to act on behalf of the representative will be recorded as attendance at a meeting for the purpose of meeting or maintaining the quorum requirements.

The quorum for a meeting must be established and maintained throughout the meeting in order for the Organizational Group to take any binding action(s). Notwithstanding the above, any actions taken before a quorum is lost are considered valid and binding. A proxy will serve to meet the quorum requirements as described in Section 3.2 Proxy of these Bylaws.

3.9 Voting

3.9.1 Markets and Operations Policy Committee and Membership

Upon joining, Members shall be assigned to one of two Membership sectors for the sole purpose of voting on matters before the Markets and Operations Policy Committee or the Membership: Transmission Owning Members, or Transmission Using Members. Each sector votes separately with the result for that sector being a percent of approving votes to the total number of Members voting. An action is approved if the average of these two percentages is at least sixty-six percent. If no Members are present within a sector, the single present sector-voting ratio will determine approval. Unless otherwise stated in these Bylaws, the Markets and Operations Policy Committee or the Membership may determine to vote on an issue by email. The outcome of any email vote must be recorded in the minutes for the group.

3.9.2 Organizational Groups and Task Forces

Each representative of an Organizational Group or Task Force shall have one vote. A simple majority of participants present or represented by proxy and voting shall be required for approval of an action for all other Organizational Group and Task Force action(s). Unless otherwise stated in these Bylaws, an Organizational Group or Task Force may determine to vote on an issue by email. The outcome of any email vote must be recorded in the minutes for the group.

If an Organizational Group is acting as a Standards Development Team as defined in Section 9.5 Regional Reliability Standards Development Process of these Bylaws, it will vote in accordance with the SPP Standards Development Process as approved by FERC.

3.10 Appeal

The President shall assign to each Organizational Group an SPP Staff member, who shall attend all meetings and act as secretary to the Organizational Group and any ad hoc task forces of that group. Staff secretaries of all Organizational Groups and task forces shall be non-voting. Minutes shall be kept of pertinent discussion, business transacted, decisions reached, and actions taken at each meeting of SPP Organizational Groups or task forces by the secretary. SPP shall publish and distribute reports as necessary to fulfill the SPP mission. SPP shall also develop and maintain electronic databases of relevant technical information. The release of member-specific proprietary information will be governed by the appropriate SPP governing document (the OATT, the Membership Agreement, the Bylaws, the SPP Criteria) and/or a properly executed confidentiality agreement. Standard publications and standard forms of non-proprietary information will be made available at no charge

3.13 Dispute Resolution

These procedures are established for the equitable, efficient and expeditious resolution of disputes. These procedures are intended to cover disputes between any two or more Members, between Members and consenting non-members, or between SPP and any Member(s) or consenting non-member(s). SPP and Members are strongly encouraged to take part in the complete process herein described prior to litigation or the utilization of other dispute resolution processes. SPP administrative involvement in the proceeding is to coordinate with an appropriate firm or panel to facilitate the resolution of the dispute and to provide meeting coordination and facilities. These procedures do not apply to disputes that are covered by the dispute resolution procedures of the SPP OATT or the SPP Compliance Monitoring and Enforcement Program.

3.13.1 Instigation

Any Member may begin these dispute resolution procedures by making a request in writing to the President. The President will inform the Board of Directors of the initiation of any dispute resolution proceedings. This written request must contain the authorized signatures of all parties to the dispute. The request must contain:

- (a) a statement of the issues in dispute;
- (b) the positions of each of the parties relating to each of the issues;
- (c) the specific dispute resolution procedure desired; and
- (d) any agreed-upon modifications or specific additions to the proceedings described in these Bylaws by which the dispute may be resolved.

3.13.2 Dispute Resolution Process

In the event SPP is a party to the dispute, the parties shall engage a firm specializing in alternative dispute resolution to administer the dispute resolution process. The firm will be mutually determined by the parties and the process will be administered in accordance with these Bylaws and such other SPP governing documents as may be relevant to the proceeding. In the event the parties cannot

mutually agree to the engagement of a firm, the dispute resolution process will be abandoned and other available means for resolution will be pursued.

In the event SPP is not a party to the dispute, the parties to the dispute may engage a firm specializing in alternative dispute resolution to administer the dispute resolution process. The firm will be mutually determined by the parties and the process will be administered in accordance with these Bylaws and such other SPP governing documents as may be relevant to the proceeding. In the event the parties cannot mutually agree to the engagement of a firm, and do not determine some other mutually acceptable procedure, the President of SPP shall provide to each party to the dispute a list of candidates to be used in forming a three-person dispute resolution panel. The candidates shall be persons meeting the requirements for directors. The President shall then call a telephone conference meeting during which each party shall alternate striking names from the list until those remaining constitute the dispute resolution panel. This panel shall select a chair from its membership. Should any candidate decline to serve or resign from a current appointment for any reason, the candidate whose name was last struck from the list shall be contacted to serve. The President shall assign a Staff representative to assist the panel as secretary. The President shall manage the panel selection process to ensure its timely completion.

3.13.3 Resolution Procedures

The types of proceedings available for the resolution of disputes are:

- (a) An Advisory Proceeding to assist each party through discussion and advice, on a separate and individual basis without active participation in the joint discussions and negotiations, to resolve the dispute informally by mutual agreement;
- (b) A Mediation Proceeding to assist the parties through active participation in the joint discussions and negotiations (including specific recommendations of the issues in dispute) through which the parties indirectly attempt to resolve the dispute informally by mutual agreement;
- (c) A non-binding Dispute Resolution Proceeding to hear formal evidence on factual matters related to the issues submitted, make written findings and conclusions of

fact, and issue specific written recommendations for resolution of each issue in dispute.

- (d) A binding Dispute Resolution Proceeding to hear formal evidence on factual matters related to the issues submitted, make written findings and conclusions of fact, and issue directives and awards for resolution of each issue in dispute.

The panel chair shall determine meeting arrangements and format necessary to efficiently expedite the resolution of the dispute, and the Staff secretary shall notify the parties of these details. Each party to the dispute must have at least one representative present at all related meetings with full authority to resolve the dispute. Upon conclusion of this process, the panel chair shall notify the President of its outcome. After consultation with the parties to the dispute and the panel chair to determine the completion of the process as described herein, and/or as modified by the parties, the President shall discharge the panel, and notify the Board of Directors of the results. The parties to the dispute agree to complete the process within 90 days from selection of the panel. Final determinations may be subject to corporate or regulatory approvals, which the parties should disclose at the outset of the process. The Staff secretary shall maintain minutes of the panel meetings, which shall become part of SPP's historical records.

3.13.4 Expenses

The parties to the dispute shall share equally all reasonable charges for the meeting location, administrative costs, and related travel expenses of panel members. The parties to the dispute shall also share equally all reasonable compensation for time and service of panel members and related incremental expenses of the SPP Staff. The President shall determine reasonableness of time and service costs for panel members prior to process implementation. The SPP Staff secretary shall account for these expenses. Each party to the dispute shall be responsible for their respective associated expenses.

3.13.5 Liability

The parties to any dispute which is the subject of these dispute resolution procedures shall hold harmless SPP, its Members, Organizational Groups and each of their directors, officers, agents, employees or other representatives, and the panel members from any liabilities, claims, or damages resulting from any agreement or lack of agreement as a result of the dispute resolution proceedings. The foregoing hold harmless right shall not be extended to the parties to any given dispute or to their directors, officers, agents, employees or other representatives.

3.14 Meeting of Members

The Chair of the Board of Directors shall convene and preside over meetings of Members for the purpose of electing Directors, Members Committee representatives, and Regional Entity Trustees to positions becoming vacant in the ensuing year, and any other necessary business. The Membership shall meet at least once per calendar year.

3.15 Liability, Insurance and Indemnification

For purposes of this section “SPP” refers to SPP and its officers, directors, Regional Entity Trustees, employees or agents, and “Member” refers to the Members of SPP as defined in these Bylaws. None of the provisions of this section, including the waiver of liability in Section 3.15.1 below, absolving SPP or its Members, directors, Regional Entity Trustees, officer, agents, employees or other representatives of liability or any provisions for insurance or indemnification apply to actions which are unlawful, undertaken in bad faith, or are the result of gross negligence or willful misconduct.

The President is authorized to procure insurance to protect SPP, its directors, Regional Entity Trustees, officers, agents, employees, or other representatives against damages arising out of or related to any directive, order, procedure, action or requirement of SPP, under the then effective Bylaws and Criteria or pursuant to the OATT.

3.15.3 Indemnification of Directors, Officers, Agents and Employees

Except for actions which are unlawful, undertaken in bad faith, or are the result of gross negligence or willful misconduct, SPP shall indemnify its directors, officers, agents, employees, or other representatives to the maximum extent allowed by law consistent with these Bylaws. Each director, Regional Entity Trustee, officer, agent, employee, or other representative of SPP shall be indemnified by SPP against all judgments, penalties, fines, settlements, and reasonable expenses, including legal fees, incurred as a result of, or in connection with, any threatened, pending or completed civil, criminal, administrative, or investigative proceedings to which the incumbent may be made a party by reason of acting or having acted in official capacity as a director, Regional Entity Trustee, officer, agent, employee, or representative of SPP, or in any other capacity which the incumbent may hold at the request of SPP, as its representative in any other organization, subject to the following conditions:

- (a) Such director, Regional Entity Trustee, officer, agent, employee, or other representative must have acted in good faith and, in the case of criminal proceedings, must have had no reasonable cause to believe that conduct was unlawful; provided, that SPP shall not provide indemnification of any conduct judged unlawful in criminal proceedings. When acting in official capacity, the incumbent must have reasonably believed that conduct was in the best interests of SPP, and, when acting in any other capacity, must have reasonably believed that conduct was at least not opposed to the best interests of SPP.
- (b) If the proceeding was brought by or on behalf of SPP, however, indemnification shall be made only with respect to reasonable expenses referenced above. No indemnification of any kind shall be made in any such proceeding in which the director, Regional Entity Trustee, officer, agent, employee, or other representative shall have been adjudged liable to SPP.

- (c) In no event, however, will indemnification be made with respect to any described proceeding which charges or alleges improper personal benefit to a director, Regional Entity Trustee, officer, agent, employee, or other representative and where liability is imposed on the basis of the receipt of such improper personal benefit.
- (d) In order for any director, Regional Entity Trustee, agent, employee, or other representative to receive indemnification under this provision, the person shall vigorously assert and pursue any and all defenses to those claims, charges, or proceedings covered herein which are reasonable and legally available and shall fully cooperate with SPP or any attorneys involved in the defense of any such claim, charges, or proceedings on behalf of SPP.
- (e) No indemnification shall be made in any specific instance until it has been determined by SPP that indemnification is permissible in that specific case, under the standards set forth herein and that any expenses claimed or to be incurred are reasonable. These two (2) determinations shall be made by a majority vote of at least a quorum of the Board of Directors consisting solely of directors who were not parties to the proceeding for which indemnification or reimbursement of expenses is claimed. If such a quorum cannot be obtained, a majority of at least a quorum of the full Board of Directors, including directors who are parties to said proceeding, shall designate a special legal counsel who shall make said determinations on behalf of SPP.
- (f) Any reasonable expenses, as shall be determined above, that have been incurred by a director, Regional Entity Trustee, officer, agent, employee, or other representative who has been made a party to a proceeding as defined herein, may be paid or reimbursed in advance upon a majority vote of a quorum of the full Board of Directors, including those who may be a party to the same proceeding.

However, such director, Regional Entity Trustee, officer, agent, employee, or other representative shall have provided SPP with (i) a written affirmation under oath that the incumbent, in good faith, believes the conditions of indemnification herein have been met; and (ii) a written undertaking that the incumbent shall repay any amounts advanced, with interest accumulated at a reasonable rate, if it is ultimately determined that such conditions are not met.

3.15.4 Limitations

The provisions of this section 3.15 are subject to applicable state and Federal laws, if any, which limit the ability of a Member to waive liability or enter into agreements of indemnity. Any benefits under this Section 3.15 shall not extend to any Member so limited by state or Federal law in complying with the provisions thereof.

3.15.5 Modification of Rights by Agreement

Any provision of this Section 3.15.1 may be waived or modified by express written agreement between SPP and Member. Such express written agreement shall apply solely to the subject matter of the agreement and is not intended to be a general waiver or modification of the rights provided in Section 3.15.1.

3.15.6 Procedural Rights Not Affected

The limitations of liability provided in Section 3.15.1 shall not affect any procedural rights or obligation a Member may have at law or equity.

Any regulatory agency having utility rates or services jurisdiction over a Member may participate fully in all SPP activities, including participation at the SPP Board of Directors meetings. These representatives shall have all the same rights as Members except the right to vote. Participation includes the designation of representatives by each of the regulatory jurisdictions to participate in any type of committee, working group, task force, and Board of Directors meetings.

7.1 Retention of State Regulatory Jurisdiction

Nothing in the formation or operation of SPP as a FERC recognized regional transmission organization is in any way intended to diminish existing state regulatory jurisdiction and authority. Each state regulatory agency is expressly reserved the right to exercise all lawful means available to protect its existing jurisdiction and authority.

7.2 Regional State Committee

An RSC, to be comprised of one designated commissioner from each state regulatory commission having jurisdiction over an SPP Member, shall be established to provide both direction and input on all matters pertinent to the participation of the Members in SPP. This direction and input shall be provided within the context of SPP's organizational group meetings as well as Board of Directors meetings. The SPP Staff will assist the RSC in its collective responsibilities and requests by providing information and analysis. SPP will fund the costs of the RSC pursuant to an annual budget developed by the RSC and submitted to SPP as part of its budgeting process, which budget must ultimately be approved by the Board of Directors.

The RSC has primary responsibility for determining regional proposals and the transition process in the following areas:

- (a) whether and to what extent participant funding will be used for transmission enhancements;
- (b) whether license plate or postage stamp rates will be used for the regional access charge;
- (c) FTR allocation, where a locational price methodology is used; and
- (d) the transition mechanism to be used to assure that existing firm customers receive FTRs equivalent to the customers' existing firm rights.

The RSC will also determine the approach for resource adequacy across the entire region. In addition, with respect to transmission planning, the RSC will determine whether transmission upgrades for remote resources will be included in the regional transmission planning process and the role of transmission owners in proposing transmission upgrades in the regional planning process.

As the RSC reaches decisions on the methodology that will be used to address any of these issues, SPP will file this methodology pursuant to Section 205 of the Federal Power Act. However, nothing in this section prohibits SPP from filing its own related proposal(s) pursuant to Section 205 of the Federal Power Act.

7.3 Retention of Other Regulatory Jurisdiction

Nothing in the formation or operation of SPP as a FERC recognized regional transmission organization is in any way intended to diminish the jurisdiction or authority of any other regulatory body. Any regulatory agency having utility rates or services jurisdiction over a Member or the regional transmission organization reserves the right to exercise all lawful means available to protect its existing jurisdiction and authority.

8.0 Fiscal Administration

The fiscal year shall coincide with the calendar year.

8.1 Operating Budget

SPP Staff and the Finance Committee will prepare an annual budget of expenditures for the next fiscal year and an estimate for an additional two years. The proposed budget shall be submitted to the Board of Directors not less than two weeks prior to the meeting at which the budget is to be considered for approval. Except as addressed in Section 9.0 Regional Entity Function, once approved by the Board of Directors, the budget shall constitute the authority required by the Officers for expenditures for the ensuing year. Modifications to the budget during the fiscal year must be recommended to the Board of Directors by the Finance Committee. The President shall have the authority to approve expenditures in accordance with SPP policy as approved by the Board of Directors.

8.2 Annual Membership Fee

All SPP Members will be subject to an annual membership fee in the amount of \$6,000, or other amount established by the Board of Directors. Unless otherwise agreed, Membership fees for new Members are due at the execution of the Membership Agreement. Membership fees are not subject to refund. The Board of Directors shall determine the annual membership fee for the upcoming year in advance of the last meeting of Members in a calendar year. Legitimate public interest groups (e.g. consumer advocates, environmental groups, or citizen participation groups) may seek a waiver of the annual membership fee. The request for waiver must be directed to the President in writing 90 days in advance of the start of each fiscal year.

8.3 ERO and Regional Entity Costs

SPP is a Regional Entity of the Electric Reliability Organization and is subject to the terms of the Delegation Agreement executed by SPP and the ERO. SPP will have certain functions as signatory to the Delegation Agreement related to the establishment and submission of annual budgets related to fulfillment of Regional Entity functions as well as participation in the costs incurred by ERO. The Delegation Agreement may specify SPP's responsibility to collect ERO costs from SPP's Regional Entity footprint, and may specify ERO's responsibility to fund SPP's Regional Entity budget.

SPP will clearly set out the costs associated with its operation as a Regional Entity within SPP's annual budget.

8.4 Monthly Assessments

SPP will assess certain Members described herein on a monthly basis all costs not otherwise collected. Costs recovered under the assessment will include but are not limited to all operating costs, financing costs, debt repayment, and capital expenditures associated with the performance of SPP's functions as assigned by the Board of Directors. Significant among these are costs associated with regional reliability coordination and the provision of transmission service. SPP shall determine the assessment rate based on its annual budgeted net expenditures divided by estimated annual Schedule 1 billing units for service sold under SPP's OATT and Member load eligible to take, but not taking, Network Integration Transmission Service under SPP's OATT. The Board of Directors may review the assumptions used in determining the assessment rate at any time and may adjust the assessment rate appropriately should conditions warrant. Each load-serving Member shall then be assessed the monthly assessment rate applied to its load eligible to take Network Integration Transmission Service under the SPP OATT. Further, each load-serving Member shall receive a credit against the monthly assessment for that month's Schedule 1-A fees paid for Network Integration Transmission Service and for Point-to-Point Transmission Service that had a delivery point within the SPP region, under the SPP OATT.

8.5 Fiscal Agent

The President shall serve as the fiscal agent of SPP. The President shall keep an up-to-date record of receipts and disbursements and furnish reports to the Board of Directors and the Finance Committee.

The Board of Directors shall annually engage an independent certified public accounting firm to perform an annual audit of SPP's financial records and prepare a report on the financial condition of SPP. The Finance Committee shall present the audit report to the Board of Directors upon completion.

8.7 Financial Obligation of Withdrawing Members

8.7.1 Existing Obligations

“Existing Obligations” are the following:

- a. Member’s unpaid annual membership fee.
- b. Member’s unpaid dues, assessments, and other amounts charged under Section 3.8 of the Membership Agreement, section 8.4 of the Bylaws, or otherwise under the Bylaws, plus the Member’s share of costs SPP customarily includes in such dues, assessments or other charges, but which as of the Termination Date SPP had not included in such dues, assessments or other charges.
- c. Member’s share (computed in accordance with the Bylaws) of the entire principal amounts of all SPP Financial Obligations outstanding as of the Termination Date. “Financial Obligations” are all long-term (in excess of six (6) months) financial obligations of SPP, including but not limited to the following:
 - i. debts under all mortgages, loans, loan agreements, borrowings, promissory notes, bonds, and credit lines, under which SPP is obligated, including principal and interest;
 - ii. all payment obligations under equipment leases, financing leases, capital leases, real estate and office space leases, consulting contracts, and contracts for outsourced services;
 - iii. any unfunded liabilities of any SPP employee pension funds, whether or not liquidated or demanded; and
 - iv. the general and administrative overhead of SPP for a period of three (3) months.
- d. Any costs, expenses or liabilities incurred by SPP directly due to the Termination, regardless of when incurred or payable, and including without limitation prepayment premiums or penalties arising under SPP Financial Obligations.
- e. Member’s share (computed in accordance with the Bylaws) of all interest that will become due for payment with respect to all interest

bearing Financial Obligations after the Termination Date and until the maturity of all Financial Obligations in accordance with their respective terms (“Future Interest”). In the event that a Financial Obligation carries a variable interest rate, the interest rate in effect at the Termination Date shall be used to calculate the applicable Future Interest. In determining the Member’s share of Future Interest, SPP shall take into account any reduction of Financial Obligations due to mitigation under this Section.

8.7.2 Computation of a Member’s Existing Obligations

For purposes of computing the Existing Obligations of any withdrawing or terminated Member in accordance with the Membership Agreement, such “Member’s share” is a percentage calculated as follows:

$$A = 100 [0.25(1/N) + 0.75(B/C)]$$

Where: A = Member’s share (expressed as a percentage)

N = Total number of Members

B = The Member's previous year Net Energy for Load

C = Total of factor B for all Members

The Finance Committee shall have the discretion to reduce the Existing Obligations of any withdrawing or Terminated Member, to reflect any SPP costs or expenses that may be mitigated in connection with such Member’s withdrawal or termination. In the event of consolidation of affiliate memberships or the transfer of membership from one corporate entity to another, whereby one entity remains a member of SPP, the withdrawal obligation for the departing company(ies) may be waived at SPP’s sole discretion.

8.7.3 Financial Obligations for Transmission Facilities

To the extent that Section 4.3.3A of the Membership Agreement is applicable, a Terminated Member shall remain financially responsible for all financial obligations incurred and costs allocated to its load for transmission facilities approved prior to the Termination Date.

8.7.4 Penalty Costs

A Terminated Member shall remain liable for its share of costs associated with penalties assessed against SPP by FERC, the FERC-approved Electric

Reliability Organization, any Electric Reliability Organization-approved Regional Entity, or any other governmental or regulatory authority with jurisdiction over SPP that SPP incurs as a result of events that occurred prior to Member's Termination Date but that SPP is unable to recover under the SPP OATT.

8.7.5 Limitation on Financial and Penalty Obligations

(a) Notwithstanding the delineation of Members' financial obligations in Section 8.7, a Federal Power Marketing Agency shall not be subject to the financial obligations listed in this Section 8.7 in the event FERC finds that SPP has not adhered to all of the Federal Power Marketing Agency Amendments as that term is defined in Section 1.0 of these Bylaws or if SPP files and FERC approves material changes to the Federal Power Marketing Agency Amendments.

(b) Provided further, notwithstanding any language to the contrary in these Bylaws, a Federal Power Marketing Agency has not waived or conceded any defense it may have, including sovereign immunity, intergovernmental immunity, or lack of subject matter jurisdiction in any action against it by an Enforcement Authority, nor has it accepted any liability, responsibility, or obligation to pay any civil monetary penalties or fines imposed by an Enforcement Authority to which it would not have been subject in the absence of these Bylaws. SPP, in accepting Western-UGP as a member, does not thereby concede or accept responsibility for any portion of a penalty or fine attributable to the actions or omissions of Western-UGP. SPP will identify the amount of any penalty or fine that SPP allocates to Western-UGP or that SPP determines is attributable to Western-UGP and will identify that amount to FERC as uncollectable and not otherwise owed by SPP. Enforcement Authority in these Bylaws means the Federal Energy Regulatory Commission (FERC), Electric Reliability Organization (ERO), or Regional Entities with enforcement authority pursuant to a delegation from an ERO or FERC for the purpose of proposing and enforcing reliability standards.

For purposes of an SDT, participation and voting will be open to any interested party in accordance with the Standards Development Process and without regard to membership status in SPP.

9.6 Compliance Monitoring and Enforcement Program

The Regional Entity Trustees will oversee SPP's Compliance Monitoring and Enforcement Program (CMEP). The CMEP will enforce compliance according to ERO reliability standards for Registered Entities. Regional Entity staff shall oversee compliance auditing of registered entities, and will report audit results to the Regional Entity Trustees.
