

## Announcement 2014 Planning Committee Election Results

The Planning Committee (PC) opened nominations for 14 vacant positions from June 4 through June 25. One sector (Large end-use electricity customer sector) had more nominees than available open positions; therefore, balloting was required for that sector. The following twelve persons were nominated for, or elected to fill, the open positions on the Planning Committee to serve from 2014–2016, except as noted.

Sector	Elected Member
1. Investor-owned utility	Gary Thomas Brownfield, Ameren
2. State/Municipal Utility	Aruther Iler, American Municipal Power (2 year) Andrew Wade Tudor, Municipal Energy Agency of Nebraska (1 year)
3. Cooperative utility	Russ Schussler, Georgia Transmission Corporation
4. Federal or provincial utility/Federal Power Marketing Administration	Serge Fortin, Hydro-Québec TransEnergie David Jacobson, Manitoba Hydro
5. Transmission dependent utility	Brian Evans-Mongeon, Utility Services, Inc. (2 year) Carl Turner, Florida Municipal Power Agency (1 year)
6. Merchant electricity generator	Robert Ramaekers, Tenaska, Inc. (2 year) Michael Goggin, American Wind Energy Association (1 year)
7. Electricity marketer	Steven Huber, PSEG Services Corporation
8. Large end-use electricity customer	John Hughes, Electricity Consumers Resource Council
9. Small end-use electricity customer	Herb Schrayshuen, Self-as Small End-User
10. ISO/RTO	Mark Sims, PJM

In accordance with the Planning Committee charter, the newly elected members will serve on the PC committee pending approval by the NERC Board of Trustees.
