**Q5** Briefly describe the nominee's experience and qualifications to serve on the RSTC:

Debbie is a Professional Engineer in the state of Texas and has over 35 years of experience in the electrical industry including distribution and generation planning, federal and state policy and regulation, event analysis and reliability assessments. During Debbie's tenure with Reliant Energy one of her many responsibilities included conducting planning studies using models such as PROMOD that formulated the generation expansion plans for the company. Moving to SPP RE in 2011, Debbie's engineering and planning background allowed her to be a valuable contributor to NERC's Reliability Assessment Subcommittee and the Event Analysis Subcommittee. Debbie is currently a representative of the ISO RTO Council Planning Committee, a joint forum of all North American RTO system planners. Debbie's broad experience in the industry make her an excellent candidate for the RSTC.
