Page 1: Nominations are due by January 10, 2020

**Q1** Information about you, the nominator:

First and Last Name	<b>Lloyd Linke</b>
Email Address	<b>lloyd@wapa.gov</b>
Phone Number	<b>605-882-7500</b>

---

**Q2** Information about the nominee:

First and Last Name	<b>Lloyd Linke</b>
Company	<b>Western Area Power Administration</b>
Email Address	<b>lloyd@wapa.gov</b>
Phone Number	<b>605-882-7500</b>

---

**Q3** Please select representation: **United States**

---

**Q4** Select each applicable NERC Interconnection: **Eastern Interconnection,**  
**Western Interconnection**

---

**Q5** Briefly describe the nominee's experience and qualifications to serve on the RSTC:

Lloyd Linke is currently Western Area Power Administration's Vice President of Operations for the Upper Great Plains Region. In his current position he is responsible for the operation, planning of the Upper Great Plains Region's transmission system. Prior to 2014 Lloyd was also responsible for managing the group supporting the Upper Great Plains Region's real time operational computer systems, including SCADA, EMS, Advance Tools, and security of these systems. Prior to becoming the Vice President of Operations, he managed the Maintenance Engineering group, which provided engineering support within the Upper Great Plains Region.

Lloyd served as the Administrator of the Alaska Power Administration prior to returning to Western. In this position he served as CEO and was responsible for all functions and business lines of the Alaska Power Administration. He has worked in several areas within the electrical power industry including maintenance, construction, power billing, marketing, and operations of high voltage transmission systems and hydroelectric generation facilities.

Lloyd has over thirty six years of experience in the electrical power industry and received a degree in Electrical and Electronics Engineering from the North Dakota State University. He currently is a director on the Midwest Reliability Organization Board; a member on the NERC Members Representative Committee, past Chair and current member of the NERC Operating Committee and member of the Southwest Power Pool Markets and Operations Policy Committee. He has served as a Board member of the Pacific Northwest Security Coordinator, Chair of the MAPP Reliability Committee and Regional Reliability Committee, member of MRO initial Bylaws Committee and MRO transition team.

---
