**Q1**

Information about you, the nominator:

First and Last Name **Greg Stone**  
Email Address **Greg.Stone@duke-energy.com**  
Phone Number **704-301-5671**

---

**Q2**

Information about the nominee:

First and Last Name **Greg Stone**  
Company **Duke Energy**  
Email Address **Greg.Stone@duke-energy.com**  
Phone Number **704-301-5671**

---

**Q3**

Briefly describe the nominee's experience and qualifications to serve on the RSTC:

Greg Stone, General Manager Transmission Planning, Policy, and Operations Services, Duke Energy

Greg is a 1985 graduate of North Carolina State University with a Bachelor of Science degree in Electrical Engineering. He also earned a Master of Business Administration degree from the University of North Carolina at Charlotte. He is a registered Professional Engineer in both North Carolina and South Carolina and is also a graduate of the Duke Energy Strategic Leadership Program at the University of North Carolina at Chapel Hill Kenan-Flagler Business School. Greg earned his NERC certification at the Reliability Coordinator level in 1998.

During his 36 years in the electric utility business Greg has held a number of leadership assignments, including roles in System Operations, Asset Management, and Transmission Planning. He has represented Duke in multiple industry efforts including the creation of the of the Transmission Loading Relief (TLR) procedure; the development of the former NERC Policy 9 recognizing and defining the role of the Security Coordinator; and as a representative to EPRI, NATF, various other NERC Committees and Subcommittees, the EIDSN (Eastern Interconnection Data Sharing Network), as well as the EIPC (a coalition of the Eastern Interconnection Planning Coordinators).

In his current role Greg is responsible for a broad array of functions as the General Manager of Transmission Planning, Policy, and Operations Services function within Duke Energy.

Greg is currently representing the IOU sector on the RSTC.
