Page 1: Nominations are due by April 22, 2024

Q1

Information about you, the nominator:

First and Last Name	Todd Lucas
Email Address	telucas@southernco.com
Phone Number	404-717-0131

Q2

Information about the nominee:

First and Last Name	Todd Lucas
Company	Southern Company Services
Email Address	telucas@southernco.com
Phone Number	404-717-0131

Q3

Briefly describe the nominee's experience and qualifications to serve on the RSTC:

Todd Lucas is Vice President of Transmission Operations & Policy at Southern Company. In this role, he ensures reliable operations across Southern's Bulk Electric System (BES) territory which encompasses the following entities: Alabama, Georgia, and Mississippi Power companies, Georgia System Operations Company, Municipal Electric Authority of Georgia, Southeastern Power Administration, and Power South Energy Cooperative.

Todd provides oversight of real-time system operations including several NERC Reliability Functions. In addition to these core reliability functions, his responsibilities include engagement in federal policy and regulatory matters advancing industry positions to ensure reliable operation of the Bulk Power System. Prior to his current role, Todd progressed through supervisory and management positions including transmission system operations, transmission planning, transmission maintenance, and project management. Todd is an industry leader. Todd has served on the NERC Reliability and Security Technical Committee (RSTC) as an At-Large member since its formation in 2020 and he currently serves on the RSTC Executive Committee. Todd held the Vice Chair position on the Essential Reliability Services Working Group contributing to NERC's efforts ensure a reliable grid transition. He also served as the IOU sector representative on NERC's Operating Committee (2015-2016). As a board member of the Eastern Interconnection Data Sharing Initiative (EIDSN), Todd promotes advanced reliability tools used by numerous Reliability Coordinators. Additionally, Todd participates in the North American Transmission Forum Program Advisory Groups.

Todd holds a Bachelor of Science in Mechanical Engineering from the Georgia Institute of Technology and is a graduate of the Harvard Business School General Management Program.
