**Q3**

Briefly describe the nominee's experience and qualifications to serve on the RSTC:

Vinit currently serves as Vice President of Operations for ITC Holdings Corp. In this role he has responsibilities that support ITC's four operating companies for NERC Compliance, system operations, Operations Planning, Outage coordination, Safety, Human Performance, Corporate Security, Emergency Preparedness and Response. He is the company's NERC Compliance Officer. Prior to this role he worked as Director Design Engineering at ITC managing engineering design of transmission lines and substations. During his tenure at ITC he also oversaw the complete replacement of Energy Management System (EMS) used for ITC's system operation and monitoring. Prior to joining ITC he held leadership roles at Entergy in operations, IT, NERC compliance and transmission and distribution substation maintenance areas.

He has over 21 years of experience in electric utility areas. He previously served as NERC RTBPTF task force and was the chair of NERC event analysis subcommittee. He is currently a board member at NATF and represent ITC in various EEI committees. He holds a BS in Electrical engineering from IT Roorkee, India and an MS in electrical engineering from Kansas State University.
