TRAX / Light Rail

One of the easiest and most convenient ways to visit WECC and downtown Salt Lake City is to use the nearby light rail service. Access to the TRAX Green Line is only a few yards from our building.

SLC International to WECC

The Airport TRAX Station is located on the ground level, outside the terminal, on the east side. Passengers should exit door 1A and go east. Board the TRAX Green Line and, five stations later, exit at the North Temple Bridge/Guadalupe stop. Continue down the bridge toward the Salt Lake Hardware Building on the left. WECC is on the second floor.

WECC to SLC Downtown

The Arena TRAX Station (one stop past WECC) starts the Free Fare Zone, making it even easier to get around downtown for dinner, entertainment, and sightseeing.
