## 2020 Reliability and Security Technical Committee Sector 8 Special Election Results

The Reliability and Security Technical Committee (RSTC) opened nominations for filling a vacancy in Sector 8 from August 28 through September 18. As more than one nomination was received balloting was required for that sector from September 21 through October 5. The following nominee was elected to fill the vacancy and will serve the remainder of the vacated term, pending NERC Board of Trustees approval at its November 5, 2020 meeting.

Sector	Elected Member
8. Large end-use electricity customer	Travis Fisher (Electricity Consumers Resource Council (ELCON))
