Each individual or entity that is a member of Segment 7 may vote for a Standards Committee member to represent that Industry Segment. Proxies are allowed. The slate of nominees for this segment is shown below and detailed information on each of these candidates is posted on the Standards Committee’s Nominations and Elections web page.

Segment 7:
• Michelle D’Antuono
• Tom Siegrist

Next Steps
In accordance with the Election Procedure for Members of NERC Standards Committee, to be elected during the special election, a nominee must meet both of the following:
• Receive the highest total number of votes in that Segment,
and
• Receive a simple majority of the votes cast in that Segment.

If no candidate meets both criteria through the initial ballot, a second ballot will be conducted in that Segment. The candidate receiving the highest number of votes in the second ballot is elected to represent that Segment.
