

# Standards Committee Nomination Form

2017-2018 Term Elections

The North American Electric Reliability Corporation (NERC) [Standards Committee](#) (SC) has two members from each of the ten industry segments. Each SC member is elected by the segment he or she represents. The SC reports to the NERC Board of Trustees and oversees the development of NERC Reliability Standards by performing tasks governed by the [Standard Processes Manual](#), the [Standards Committee Charter](#), and the [SC Work Plan](#).

Any person may nominate any other person to serve on the SC, with the limitation that the nominee must be employed by or an agent of an entity that is registered in that segment of the [Registered Ballot Body](#) (RBB) of the [Standards Balloting and Commenting System](#). The nominee is not required to be the RBB representative from that organization.

Nominations are currently being accepted for each of the ten segments. Election of representatives is governed by the NERC Rules of Procedure, Appendix 3B: [Procedures for Election of Members of the Standards Committee](#).

You may use this form to nominate candidates for segments 1 through 10. You may submit more than one nomination. Please, however, use one form per nomination. You are welcome to nominate yourself.
