

August 15, 2007

TO: REGISTERED BALLOT BODY

Ladies and Gentlemen:

Announcement: Nomination Periods Open for Three Drafting Teams

The Standards Committee announces the following standards actions:

Nominations for Project 2006-01 System Personnel Training Standard Drafting Team (August 15–29, 2007)

The Standards Committee is seeking additional industry experts to serve on the [System Personnel Training](#) Standard Drafting Team. The new members will join the already-formed drafting team in developing the following standard:

- PER-005 — System Personnel Training

If you are interested in serving on this standard drafting team, please complete this [nomination form](#) and return it to sarcomm@nerc.net by August 29, 2007 with “System Personnel Training SDT” in the subject line. For questions, please contact Linda Clarke at 610-310-7210 or linclrke@msn.com.

Nominations for Project 2007-06 System Protection Coordination Standard Drafting Team (August 15–29, 2007)

The Standards Committee is seeking industry experts to serve on the [System Protection Coordination](#) Standard Drafting Team. The drafting team will work on modifications to the following standard:

- PRC-001 — System Protection Coordination

If you are interested in serving on this standard drafting team, please complete this [nomination form](#) and return it to sarcomm@nerc.net by August 29, 2007 with “System Protection Coordination SDT” in the subject line. For questions, please contact Al Calafiore at 678-524-1188 or at al.calafiore@nerc.net.

Nominations for Project 2007-17 Protection System Maintenance and Testing Standard Drafting Team (August 15–29, 2007)

The Standards Committee is seeking industry experts to serve on the [Protection System Maintenance and Testing](#) Standard Drafting Team. If you are interested in serving on this team, please complete this [nomination form](#) and return it to sarcomm@nerc.net with “Protection System Maintenance SDT” in the subject line by August 29, 2007. For questions, please contact Al Calafiore at 678-524-1188 or at al.calafiore@nerc.net.

- PRC-005-1 — Transmission and Generation Protection System Maintenance and Testing
- PRC-008-0 — Underfrequency Load Shedding Equipment Maintenance Programs
- PRC-011-0 — UVLS System Maintenance and Testing
- PRC-017-0 — Special Protection System Maintenance and Testing

Standards Development Process

The [Reliability Standards Development Procedure](#) contains all the procedures governing the standards development process. The success of the NERC standards development process depends on stakeholder participation. We extend our thanks to all those who participate. If you have any questions, please contact me at 813-468-5998 or maureen.long@nerc.net.

Sincerely,

Maureen E. Long
