Asking Questions During the Meetings
To ask a question or make a comment during the meeting, please ‘Raise your virtual hand’ by selecting the hand icon above the chat window. A hand icon will appear to the right of your name in the attendee list to indicate your hand is raised. The host will unmute your line when the chair is ready for your question/comment. Please make sure to lower your hand after speaking by selecting the hand icon again. The host will then re-mute your line.
