Appendix A: Change in Unit Status Report Form

Complete the following Change in Unit Status Report Form whenever a unit is purchased, de-registered or reactivated from service.

If a unit is deactivated (retired), the retirement process has been updated. Please do not use this form. The updated retirement process can be done directly in webE-GADS. Please see the updated process on the NERC website.

If a unit is purchased, continue to report that unit for the remainder of the calendar month using the instructions shown in Section III of the GADS Data Reporting Instructions. Submit the completed Change in Unit Status Report Form to gads@nerc.net. Please fill out both sections of the Unit Purchase/Transfer section, including original company and new company information. If you do not know who the new company is, contact NERC or your Regional Coordinator. Regional Coordinator information can be found at the NERC website.
http://www.nerc.com/pa/RAPA/gads/Pages/default.aspx

If a unit changes owners at a company level, but keeps the same utility and unit information, keep reporting under the same utility and unit codes. Fill out the NCR number information for Original Company NCR Number and New Company NCR Number.

If a unit was previously retired but has come back into service, fill out the reactivation part on page A-3.
## Seller Information

### Unit Purchase / Transfer

(This page should be filled out by the seller. Please provide this Form to the buyer to have the buyer information filled out.)

<table>
