Project 2012-INT-06 – Interpretation of CIP-003-3 for Consumers Energy

Initial Ballot is now open through 8 p.m. Friday, March 22, 2013

[Now Available](#)

An initial ballot for an interpretation of **CIP-003-3** for Consumers Energy is open through **8 p.m. Eastern on Friday, March 22, 2013**.

Background information for this project can be found on the [project page](#).

Instructions

Members of the ballot pools associated with this project may log in and submit their vote for the interpretation by clicking [here](#).

Next Steps

The ballot results will be announced and posted on the project page. The drafting team will consider all comments received during the formal comment period and, if needed, make revisions to the interpretation. If the comments do not show the need for significant revisions, the interpretation will proceed to a recirculation ballot.

Standards Development Process

The [Standard Processes Manual](#) contains all the procedures governing the standards development process. The success of the NERC standards development process depends on stakeholder participation. We extend our thanks to all those who participate.
