

Standards Announcement **Reminder**

Project 2010-05.2 Phase 2 of Protection Systems Revised Definition of Remedial Action Scheme

Additional Ballot Now Open through October 14, 2014

[Now Available](#)

An additional ballot for the **Revised Definition of Remedial Action Scheme** is open through **8 p.m. Eastern on Tuesday, October 14, 2014.**

Instructions for Balloting

Members of the ballot pool associated with this project may log in and submit their vote for the definition by clicking [here](#).

Note: If a member cast a vote in the initial ballot, that vote will not carry over to the additional ballot. It is the responsibility of the registered voter in the ballot pool to cast a vote again in the additional ballot. To ensure a quorum is reached, if you do not want to vote affirmative or negative, please cast an abstention.

Next Steps

The ballot results will be announced and posted on the project page. The drafting team will consider all comments received during the formal comment period and, if needed, make revisions to the definition and post it for an additional ballot. If the comments do not show the need for significant revisions, the definition will proceed to a final ballot.

For more information on the **Standards Development Process**, please refer to the [Standard Processes Manual](#).
