

# Standards Announcement **Reminder**

## Project 2010-05.1 Protection System (Misoperations)

**Additional Ballot and Non-Binding Poll  
Now Open from June 20, 2014 through June 30, 2014**

### Now Available

An additional ballot and non-binding Poll for **PRC-004-3 – Protection System Misoperation Identification and Correction** is open from June 20, 2014 through June 30, 2014.

Background information for this project can be found on the [project page](#).

### **Instructions for Balloting**

Members of the ballot pools associated with this project may log in and submit their vote for the standard and non-binding poll of the associated VRFs and VSLs by clicking [here](#).

### **Next Steps**

The ballot results will be announced and posted on the project page. The drafting team will consider all comments received during the comment period and, if needed, make revisions to the standard. If the comments do not show the need for significant revisions, the standard will proceed to a final ballot.

For more information on the **Standards Development Process**, please refer to the [Standard Processes Manual](#).
