Project 2015-09

Establish and Communicate System Operating Limits

Initial Ballots and Non-binding Polls Open through November 13, 2017

[Now Available](#)

Initial ballots and non-binding polls of the associated Violation Risk Factors and Violation Severity Levels are open through **8 p.m. Eastern, Monday, November 13, 2017** for the following standards, implementation plan and proposed definition:

1. **FAC-011-4** – System Operating Limits Methodology for the Operations Horizon;
2. **FAC-014-3** – Establish and Communicate System Operating Limit;
3. **FAC-015-1** – Coordination of Planning Assessments with the Reliability Coordinator’s SOL Methodology;
4. **Implementation Plan**; and
5. **Proposed definition of System Voltage Limit.**

Balloting

Members of the ballot pools associated with this project can log in and submit their votes by accessing the Standards Balloting and Commenting System (SBS) [here](#). If you experience issues navigating the SBS, contact [Nasheema Santos](#).

- *If you are having difficulty accessing the SBS due to a forgotten password, incorrect credential error messages, or system lock-out, contact NERC IT support directly at <https://support.nerc.net/> (Monday – Friday, 8 a.m. - 5 p.m. Eastern).*
- *Passwords expire every **6 months** and must be reset.*
- *The SBS **is not** supported for use on mobile devices.*
- *Please be mindful of ballot and comment period closing dates. We ask to **allow at least 48 hours** for NERC support staff to assist with inquiries. Therefore, it is recommended that users try logging into their SBS accounts **prior to the last day** of a comment/ballot period.*

Next Steps

The ballot results will be announced and posted on the project page. The drafting team will review all responses received during the comment period and determine the next steps of the project.

For more information on the Standards Development Process, refer to the [Standard Processes Manual](#).

For more information or assistance, contact either Senior Standards Developer, [Darrel Richardson](#) at (609) 613-1848 or [Al McMeekin](#) at (404) 446-9675.
