

Standards Announcement

2016-02 Modifications to CIP Standards

Informal Comment Period Open through November 2, 2017

[Now Available](#)

An informal comment period is open through **8 p.m. Eastern, Thursday, November 2, 2017**, for stakeholders to provide feedback on the **Standard Drafting Team's (SDT's) approach to addressing the use of virtualization in the CIP environment.**

Commenting

Use the [Standards Balloting and Commenting System \(SBS\)](#) to submit comments. If you experience any difficulties navigating the SBS, contact [Wendy Muller](#). An unofficial Word versions of the comment form is posted on the [project page](#).

If you are having difficulty accessing the SBS due to a forgotten password, incorrect credential error messages, or system lock-out, contact NERC IT support directly at <https://support.nerc.net/> (Monday – Friday, 8 a.m. - 5 p.m. Eastern).

- *Passwords expire every **6 months** and must be reset.*
- *The SBS **is not** supported for use on mobile devices.*
- *Please be mindful of ballot and comment period closing dates. We ask to **allow at least 48 hours** for NERC support staff to assist with inquiries. Therefore, it is recommended that users try logging into their SBS accounts **prior to the last day** of a comment/ballot period.*

Next Steps

The drafting team will review all responses received and determine the next steps of the project.
